Find *mental health support* that's right for you

As you manage all the responsibilities in your life, you might find yourself in need of someone to help you find the right mental health care and support.

Our *Behavioral Health 360* program gives you different ways to access mental health support.

Whether you prefer the personal guidance of a **Behavioral Health Champion** or the privacy of taking a **Self-Guided Assessment**, your Member Dashboard makes it easy to find the mental health support that's right for you.

To get started, go to the **Behavioral Health 360** tile on your Member Dashboard home page to:

- Connect with a Behavioral Health Champion
- Complete a Self-Guided Assessment

Our **Behavioral Health Champions** help you explore your treatment options and quickly find local providers that suit your personal healthcare needs. They can help you:

- Find the right type of care you need
- Find a local provider that's a good match for you
- Make the process easy, quick and convenient
- Even after you're set up with care, they'll follow up with you to see how you are doing

To ensure you find the right care and support, we partner with **specialized mental health providers** that have the expertise to meet your specific needs.

 **Learn your risk of breast cancer**

Gabbi's mission is to make late-stage breast cancer obsolete by ensuring all women know their risks and have access to early detection. According to the American College of Radiology, all women should undergo a breast cancer risk assessment by age 25. Have you taken yours?

Through Gabbi, you can take a 2-minute online assessment to immediately learn your risk of breast cancer. Once you've completed the assessment, book a same-week virtual visit with a Gabbi breast specialist. Your specialist will determine the right care plan to manage your risk and, if needed, order genetic testing or breast imaging.

If tests are ordered, the Gabbi care concierge team will work with you to help find the best in-network care options.

Gabbi's risk assessment and concierge service is available at no cost to you.

Scan the QR code to get started.

Extra dental care for those who need it

Our [Health through Oral Wellness](#)® program offers extra dental benefits for members who need extra care on their pearly whites. If you're at a higher risk of oral disease, you may qualify for additional care all year round, including:

Cleanings

Fluoride treatments

Sealants

Periodontal maintenance

And more

Follow these easy steps to see if you qualify:

- 1** To find participating providers in the Health through Oral Wellness program, they'll have a green badge shown here in [Find Care](#).
- 2** Talk to your dentist about the program. If they're not registered, ask them to call our provider line at **844-663-4433** to learn how to sign up. Once registered, they can perform your clinical oral health risk assessment and let you know if you qualify. The exam uses a set of algorithms to determine your risk score. If your risk score is between 3-5, you may be eligible to receive additional dental benefits throughout the plan year.
- 3** [Learn more](#) about the program and take a free oral health risk self-assessment. You can choose to share your results with your dentist to start the conversation.
