NOTE: POLICY ARCHIVED

This policy has been archived because it is no longer relevant. On September 28, 2022, the United States District Court for the District of Columbia vacated the differential payment rates for 340B-acquired drugs (2022-10-13-MLNC).¹ This decision has become permanent, and modifier JG was terminated as of December 31, 2024.

Modifier TB is informational-only and serves no current purpose. There is no longer a need for a Reimbursement Policy on this topic.

This archive notice will remain posted on our external Reimbursement Policy page through 12/31/2025. Should information be needed about our policy for 340B drugs and biologicals prior to September 28, 2022, please contact Moda Health and provide the relevant claim number and date of service and request the archived policy information. A 2022 version of this policy containing the archived information applicable to this time span will be obtained and provided to you.
