Your guide to *plan management*

We want to make it easy for you and your clients to enroll and manage their account.

Enrollment, made easy

1 Confirm client's eligibility

Your client's business must:

- Be in Idaho
- Have an average of 51 or more full-time employees during the preceding calendar year, with the majority employed in Idaho
- Have at least 75% of full-time eligible employees enrolled on the first day of the plan year (less valid waivers)

2 Enroll by the 10th of the month

New group enrollment information must be received no later than the 10th of the month prior to the desired effective date. Late enrollment can be accommodated upon request.

3 Choose an employee-eligibility waiting period

It cannot exceed 90 days for medical plans.

4 Make changes to plans upon renewal

Changes may include, but are not limited to, eligibility-waiting periods, group plan choices, employer eligibility changes, and contribution or participation amounts.

Faster benefits administration

The Employer Dashboard was created to help you and your clients quickly access and manage the details of benefits administration.

It's self-service, easy-to-use and available 24/7.

- Review employee-enrollment information and history
- Generate an enrollment census of covered employees and/or dependents
- View benefit and plan details and Member Handbooks
- Manage billing with eBill
- Send secure messages
- Order ID cards

To learn more about the Employer Dashboard, contact your *Moda Health sales representative at 800-578-1402*

Funding types

Fully insured plans

Rates are established and paid on a monthly basis. The client pays a fixed rate for the contract period and Moda Health assumes the entire risk.

Your client pays a fixed rate for the contract period, and there's no after-the-fact settlement with the account.

Equal Funding (25+ enrolled)

Equal Funding is a good option for employers who are looking to take more control over their health care plans or those interested in limiting risk in a partially self-funded environment.

Benefits include:

- 12 predictable monthly payments
- Greater insight into plan performance throughout the year
- Make more informed decisions at renewal
- No surprise separate fees

Administrative Services Only (ASO) (Groups of 100+ enrolled)

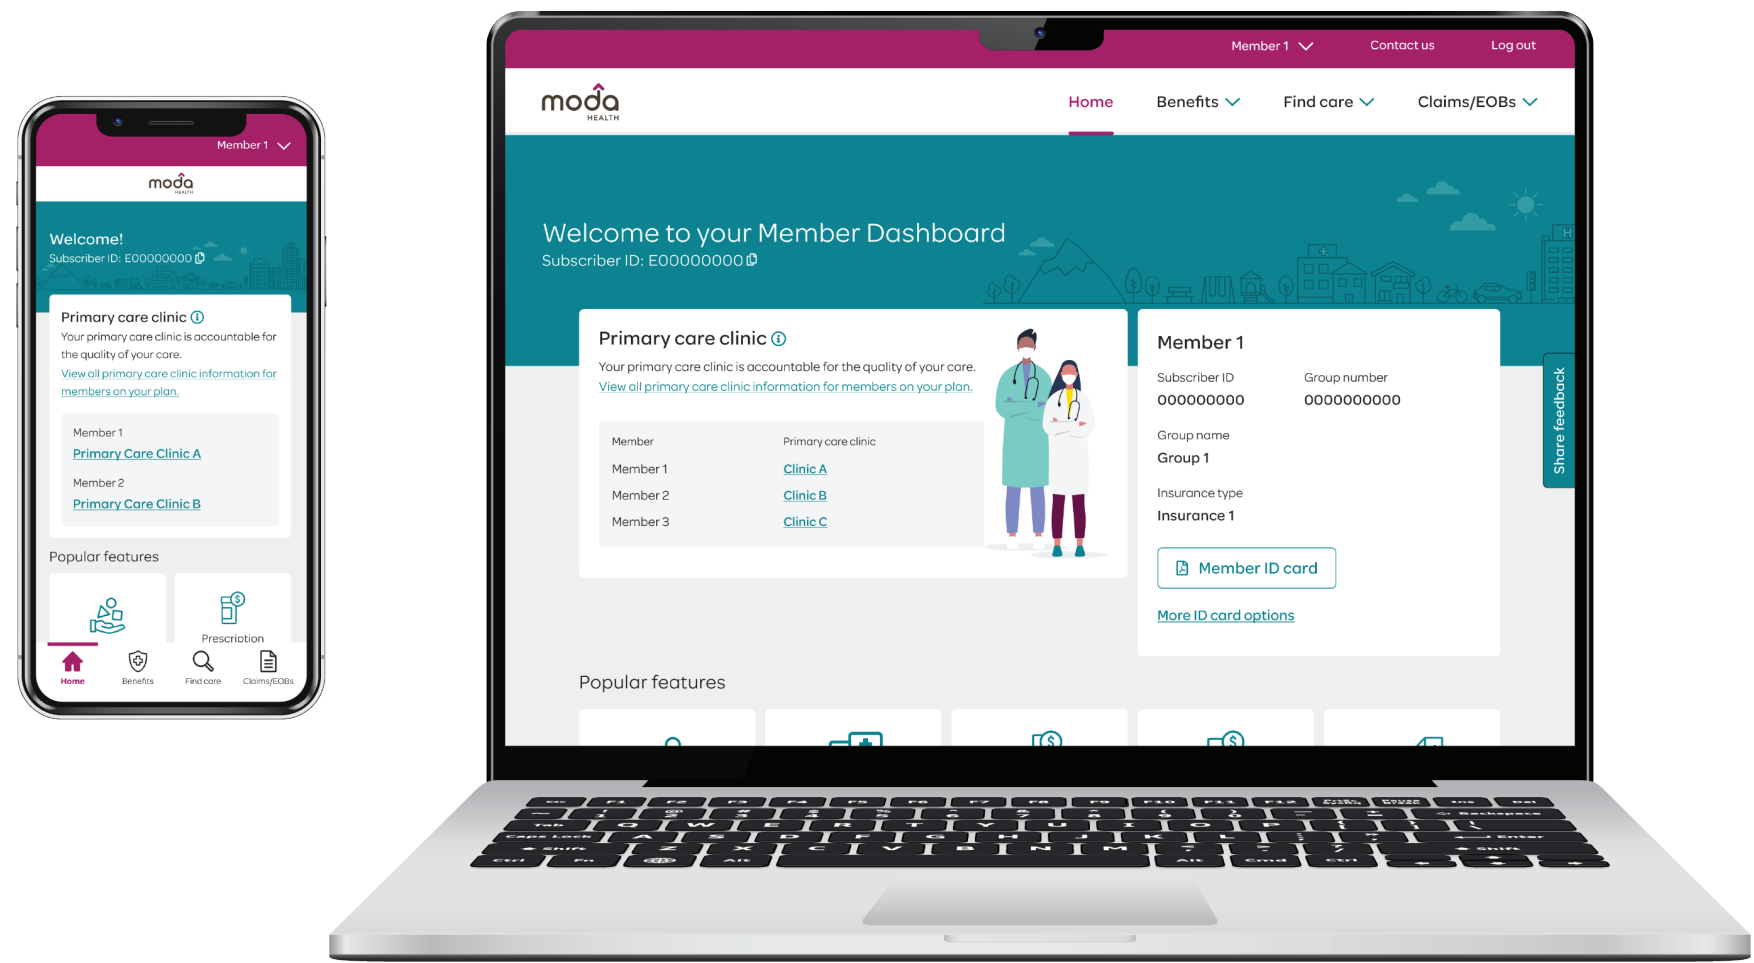

An arrangement between an employer and Moda Health where we provide administrative services (such as processing of claims or communication of benefits to subscribers) to the employees of the employer.

The employer is responsible for paying the cost of the healthcare services provided.
