Much of the information contained in the enclosed **Summary of Benefits and Coverage** (SBC) does not directly apply to your health reimbursement arrangement (HRA). SBCs are mandated by federal health care reform to help consumers understand and compare health insurance plans. While your HRA is a group health plan, it is not insurance. Some of the information and defined terms in the enclosed SBC are not applicable to your HRA.

When reading through the enclosed SBC, keep in mind:

- **Your HRA is not an insurance plan. It is an account you can use to reimburse your qualified out-of-pocket medical care expenses.**
- **Your HRA is funded with employer contributions, which may include mandatory salary reductions.**
- **With your HRA, you do not have co-pays or deductibles, and you do not pay a premium for HRA coverage unless you have elected COBRA continuation of coverage. However, you can use funds in your HRA to reimburse these types of qualified expenses if your HRA is claims-eligible.**
- **Qualified expenses for your Garner HRA, as defined by the IRS, include services received from any Garner "top" provider.**
- **Your maximum benefit (reimbursement) amount from the Garner HRA is $700 for self-only coverage or $1,400 for family coverage, up to your available HRA account balance at the time your claim is processed.**

To learn more about your Garner HRA Plan benefits, your best resource is the Garner HRA Plan Summary. To get a copy, log in at **website** and click **Resources**, or contact the Garner HRA concierge team by calling 458-488-4828.

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, contact Moda Health at www.modahealth.com or bay calling 1-1-866-923-0409. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at https://www.healthcare.gov/sbc-glossary or call 1-888-217-2363 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	For network providers $1,900 coordinated care individual / $2,000 non-coordinated care individual / $4,000 family; for out-of-network providers $3,500 individual / $7,000 family.	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible.
Are there services covered before you meet your deductible?	Yes. Examples of some services: For coordinated care members, in-network primary care visits, office visits, urgent care visit, acupuncture, spinal manipulation, naturopathic substances and biofeedback are covered before you meet your deductible. For all members, in-network breastfeeding support, chemical dependency services, outpatient mental health office visits, tobacco cessation treatment, virtual care visits, and most preventive care as well as in and out of network prescription medication and breastfeeding supplies are covered before you meet your deductible.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/.
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan?	For network providers $7,600 coordinated care individual / $8,000 non-coordinated care individual / $16,000 family; for out-of-network providers $14,600 individual / $29,200 family.	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit?	Premiums, balance-billing charges, transplants and bariatric surgery not performed at Center of Excellence facilities, out-of-pocket expenses in excess of the reference price for an oral appliance or hip and knee replacements, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out–of–pocket limit.
Will you pay less if you use a network provider?	Yes. See www.modahealth.com or call 1-866-923-0409 for a list of network providers.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your
