This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, contact Moda Health at www.modahealth.com or by calling 1-888-873-1395. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms see the Glossary. Important Questions	Answers	Why This Matters:
What is the overall deductible?	For in-network benefits, \$1,500 individual/ \$3,000 family; for out-of-network benefits, \$3,000 individual / \$6,000 family. In-network benefit level (including cost sharing and out-of-pocket limit) for out-of-network providers in Alaska other than hospitals within 50 miles of Alaska Regional Hospital.	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan , the overall family deductible must be met before the plan begins to pay.
Are there services covered before you meet your deductible?	Yes. Examples of some services: In-network most preventive care , as well as in and out of network value tier medications are covered before you meet your deductible .	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan?	For in-network benefits \$3,000 individual / \$6,000 family; for out-of-network benefits \$45,000 individual / \$90,000 family.	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan , they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit?	Premiums , balance-billing charges, penalties for failure to obtain prior authorization for services, expenses incurred due to brand substitution, out-of-network benefit expenses, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit .
Will you pay less if you use a network provider?	Yes. See www.modahealth.com or call 1-888-873-1395 for a list of network providers .	This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.

Important Questions	Answers	Why This Matters:
Do you need a referral to see a specialist ?	No.	You can see the specialist you choose without a referral .
