NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, contact Moda Health at <a href="https://www.modahealth.com">www.modahealth.com</a> or by calling 1-888-873-1395. | Important Questions  | Answers   | Why This Matters:  |
|--|---|--|
| What is the overall deductible?  | For in-network benefits, \$8,550 individual/ \$16,300 family; for out-of-network benefits, \$17,100 individual / \$32,600 family. In-network benefit level (including cost sharing and out-of-pocket limit) for out-of-network providers in Alaska other than hospitals within 50 miles of Alaska Regional Hospital.  | Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .   |
| Are there services covered before you meet your deductible?              | Yes. Examples of some services: In-network office visits for primary care, specialist and urgent care, virtual care visits, most preventive care, office visits for outpatient mental health and chemical dependency services, outpatient rehabilitation, as well as most in and out-of-network prescription medications are covered before you meet your deductible. | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> . |
| Are there other deductibles for specific services?                       | No.   | You don't have to meet deductibles for specific services.  |
| What is the <u>out-of-</u><br><u>pocket limit</u> for this <u>plan</u> ? | For in-network benefits \$8,550 individual / \$17,100 family; for out-of-network benefits \$45,000 individual / \$90,000 family.  | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.  |
| What is not included in the out-of-pocket limit?                         | Premiums, balance-billing charges, penalties for failure to obtain prior authorization for services, expenses incurred due to brand substitution, out-of-network benefit expenses, and health care this plan doesn't cover.   | Even though you pay these expenses, they don't count toward the <u>out-of-pocket</u> <u>limit</u> .  |
| Will you pay less if you use a <u>network provider</u> ?                 | Yes. See <a href="https://www.modahealth.com">www.modahealth.com</a> or call 1-888-873-1395 for a list of <a href="https://www.modahealth.com">network providers</a> .  | This <u>plan</u> uses a provider <u>network</u> . You will pay less if you use a <u>provider</u> in the plan's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network</u>   |
