Cost sharing amounts are the same when received from network retail, mail-order, and home infusion pharmacies as well as if you reside in a long-term care facility. You may get up to a 31-day supply of drugs from an out-of-network pharmacy, but you will pay more than you pay at a network pharmacy.

Cost sharing changes when you enter another stage of the Part D benefit.

During the coverage gap stage, you pay 25% of the cost for generic or brand name drugs.

During the catastrophic coverage stage, you pay the greater of 5% or \$3.95 copay for generic drugs and \$9.85 copay for all other drugs.
