Important message about what you pay for vaccines:

Our plan covers most Part D vaccines at no cost to you, even if you haven't paid your deductible. Call Customer Service for more information.

Important message about what you pay for insulin:

You won't pay more than \$35 for a one-month supply of each insulin product covered by our plan, no matter what cost-sharing tier it's on, even if you haven't paid your deductible.

Cost sharing changes when you enter another stage of the Part D benefit

You begin in the deductible stage when you fill your first prescription of the year. During this stage, you pay the full cost of your drugs until you have paid \$285 (waived for drugs on Tier 1, Tier 2 and Tier 7).

Cost sharing amounts are the same when received from network retail, mail-order, and home infusion pharmacies as well as if you reside in a long-term care facility. You may get up to a 31-day supply of drugs from an out-of-network pharmacy, but you will pay more than you pay at a network pharmacy.

During the coverage gap stage, you pay 25% of the cost for generic or brand name drugs.

During the catastrophic coverage stage, you pay the greater of 5% or \$4.15 copay for generic drugs and \$10.35 copay for all other drugs.

For more information on the different stages, please access your Evidence of Coverage online at modahealth.com/medicare or contact Pharmacy Customer Service at 888-786-7509, 7 am to 8 pm Pacific Time, seven days a week from October 1 through March 31, with the exception of Thanksgiving Day and Christmas Day. Understanding the benefits

- □ Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- ☐ Review the formulary to make sure your drugs are covered.

Understanding important rules

- ☐ In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ☐ Benefits, premiums and/or copayments/ coinsurance may change on January 1, 2024.
- Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services, the provider must agree to treat you. Except in an emergency or urgent situations, non-contracted providers may deny care. In addition, you will pay a higher copay/coinsurance for services received by non-contracted providers.
