

Health Care Reform

ODS is committed to following Health Care Reform changes and educating our members about how these changes will impact their health coverage

EXPERT ANALYSIS ON WHAT THESE CHANGES MEAN TO YOU

ODS is committed to following Health Care Reform changes that ensure all Americans receive the healthcare coverage they need. To keep you up-to-date with the latest changes, we formed a Health Care Reform Implementation Team. Made up of a wide range of healthcare professionals throughout our company, this group oversees all aspects of the coming changes and shares their expertise and analysis on what these reforms mean to you, our customers.
