## **Introduction**

This booklet provides a list of Moda Health Plan, Inc.'s network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Moda Health Plan, Inc.'s formulary.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under Moda Health Plan, Inc. only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of August 1, 2016. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

This directory is for the states of Oregon and Washington which includes the area in which you live. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our Plan. For information on more pharmacies in our plan network not listed in this directory please contact our Customer Service number at 1-888-786-7509 (TTY users call 711) from 7 a.m. to 8 p.m., Pacific Time, seven days a week from October 1 through February 14 (after February 15 your call will be handled by our automated phone systems Saturdays, Sundays and holidays).

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

# Retail Pharmacies, including Chain Pharmacies

Chain pharmacies are listed first in this section. Due to the large number of locations, addresses are not listed for chain pharmacies. To find information about locations near your home, call the toll free customer service number or visit the website that is listed under the name of each pharmacy. **TTY users call 711.** All other retail pharmacies are listed by state, then alphabetically by city. Additionally, the address, phone number and special services (if applicable) are listed for each retail pharmacy.
