¹ Plans F and G also have a high deductible option which require first paying a calendar-year deductible of \$2,340 before the plan begins to pay. Once the deductible is met, the plan pays 100% of covered services for the rest of the calendar year. High-deductible plan G does not cover the Medicare Part B deductible. However, high-deductible plans F and G count your payment of the Medicare Part B deductible toward meeting the calendar-year deductible.

² Plan K reimburses these expenses at 50%, up to an out-of-pocket maximum of \$5,880 in a calendar year. Plan L reimburses these expenses at 75%, up to an out-of-pocket maximum of \$2,940 in a calendar year. Once the out-of-pocket maximum is met, covered expenses are reimbursed at 100%.

³ Plan N requires copayment of up to \$20 for office visits and \$50 for emergency room visits.

Healthcare lingo *explained*

We realize that health plans can be confusing, so we've made a glossary to help you understand some healthcare lingo.

Coinsurance

The percentage members pay for a covered healthcare service after they meet their deductible. For example, Medicare pays 80% for a Medicare covered service and Moda Health Medicare Supplement pays 20%.

Copay (copayment)

The fixed amount members pay for a specific covered healthcare service, product or treatment, usually at the time of receiving it. For example, they might pay \$20 for a doctor visit.

Deductible

The amount members may pay in a calendar year for care that requires a deductible before the plan starts paying.

Medicare Part A deductible

The amount normally due from a member upon first admission to a hospital in each benefit period, before benefits are available under Part A of Medicare.

Medicare Part B deductible

The amount a member must pay each calendar year before Part B of Medicare pays benefits for Medicare Part B expenses.

Member Handbook

Describes what is covered and how your plan works.

Out-of-pocket costs

What members pay in a calendar year for care after their plan pays its portion. These expenses may include deductibles, copays and coinsurance for covered services.

Things you need *to know*

We've provided a few additional details you may need to know about the Moda Health Medicare Supplement plan.

Am I eligible?

You may apply for coverage if you live in Oregon and are enrolled in Medicare Parts A and B. This includes individuals who may be under age 65 and are enrolled in Medicare by reason of disability.

When does coverage begin?

If you apply during an open enrollment period (within six months of becoming eligible for Part B), your coverage will start the first of the month following the date we receive your application. If you do not apply during an open enrollment period, we will notify you of the date your coverage will begin after your application is approved.

Is there a waiting period?

If you transfer directly to a Moda Health Medicare Supplement plan from a Medicare HMO, a Medicare supplemental policy or other coverage, we will credit day-for-day the amount of time you were enrolled under one of those plans. If you were enrolled for six or more months, you will not have a six-month waiting period.

Annual open enrollment

Each year, starting on your birthday and until 30 days after, you may cancel your current Medicare Supplement policy and select another guaranteed issue Medicare Supplement policy that has the same or lesser benefits. To find other policies that qualify, contact Moda Health Customer Service.

Will my premium change?

The required premium for the plan is subject to change. Any change in premiums will occur once in a 12-month period, and will apply to all subscribers insured under the plan who reside in the state of Oregon.

Benefit and information updates

Your Moda Health Medicare Supplement policy will automatically coordinate with changes in Medicare each year. We'll keep you informed about any changes.

No claim forms

If you have a claim, just mail a copy of the Medicare Summary Notice (MSN) form you receive from Medicare to us. We'll do the rest.

Electronic claims filing

Electronic claims filing is now available at no extra cost. Medicare Part B claims will be forwarded directly to Moda Health Medicare Supplement after Medicare pays its share. You will know that a bill was submitted directly to Moda Health Medicare Supplement because it will have the following statement printed on the bottom: "This claim has been forwarded to your secondary Medicare payor."

Moda Health Medicare Supplement will send you an Explanation of Benefits indicating the amount paid and payment, if you are being reimbursed.

Disclosures

Use this outline to compare benefits and premiums among policies.

Read your policy very carefully

This brochure is only an outline describing your policy's most important features. The policy is your insurance contract. You must read the policy itself to understand all of the rights and duties of both you and Moda Health.

Complete answers are very important

Review the Moda Health Medicare Supplement application carefully before you sign it. Be certain that all information has been properly recorded. When you fill out the application for the new policy, be sure to answer truthfully and completely all questions about your medical and health history. Moda Health may cancel your policy and refuse to pay any claims if you leave out or falsify important medical information.

Notice

This policy may not fully cover all of your medical costs. Neither Moda Health nor its agents are connected with Medicare. This outline of coverage does not give all of the details about Medicare coverage. For a complete description of Medicare benefits, contact your local Social Security office, or refer to the “Medicare & You 2020” handbook online at medicare.gov or by calling 800-633-4227.

Guaranteed renewability

We will never cancel your policy because of your age or claims experience.

Right to return policy

If you find that you are not satisfied with your policy, you may return it to Moda Health, Attention: Individual Membership Accounting, 601 S.W. Second Ave., Portland, OR 97204. If you send back the policy within 30 days of receiving it, we will treat the policy as if it had never been issued and return all of your premium.

Policy replacement

If you are replacing another health insurance policy, do NOT cancel it until you actually have received your new policy and are sure you want to keep it.
