Please note that the ChooseHealthy program is not insurance. You should check any insurance benefits you have before using this discount program, as those benefits may result in lower costs to you than using this discount program. The ChooseHealthy program provides for discounts from participating specialty health care providers. You are obligated to pay for all services from those providers, but will receive a discount from those participating providers for services included in the program. The ChooseHealthy program has no liability for providing or guaranteeing services and assumes no liability for the quality of services rendered. Discounts on products and services available through the ChooseHealthy program are subject to change; please consult the website for current availability.
