You may only apply for coverage  
if you are age 65 and older.

## *We're committed to making healthcare work better for everyone.*

We realize that truly standing by this commitment means understanding that this goal isn't one of equality – it's one of equity. It means truly seeing our members, hearing their unique needs, and acknowledging that those unique needs are often directly tied to systemic disparities that exist in not only the communities we serve, but also throughout our entire country. And paramount to being empowered with this knowledge, it means doing everything we can to understand how to participate in building a more just society.

As a company, we have been working for many years to forge ways that weave the pillars of DEI into everything we do.

### **Diversity:**

We value, respect and celebrate people of all backgrounds, identities, and abilities and actively seek to identify how uniqueness makes us better.

### **Equity:**

We strive to understand the underlying causes of outcome disparities and actively work toward increasing justice and fairness in our processes, procedures and systems – both within our company and within our communities.

### **Inclusion:**

We are committed to creating environments wherein every individual has an equal opportunity to belong and can be recognized for their inherent worth and dignity.

Social injustices have served as a reminder of how crucial it is for these elements to be a measure in doing right by our employees and communities. Crises that disproportionately affect communities of color and other marginalized groups continue to leave us feeling helpless at times. But at our core, we believe that with a new day comes the opportunity to be better – to work harder and faster to create measurable change.

Through this lens, continuing to establish equity within our own walls is crucial. By not just building a more diverse workforce, but also by supporting that workforce through inclusion, education, and opportunity. And by creating spaces that allow for crucial conversations and transparency at all levels.

We fully embrace these efforts that will better equip us to support our communities. We know these goals will not be achieved overnight, but they are achievable and we are committed.

*We will be better. We will do better. It is the right thing to do and we expect it of ourselves.*

*Welcome to Moda Health,  
the place you go when  
you want more than a  
health plan – because  
you know good health is  
about so much more than  
just the plan details.*

# Healthcare lingo *explained*

We realize that health plans can be confusing, so we've made a glossary to help you understand some healthcare lingo.

## **Coinsurance**

The percentage members pay for a covered healthcare service after they meet their deductible. For example, Medicare pays 80% for a Medicare covered service and Moda Health Medicare Supplement pays 20%.

## **Copay (copayment)**

The fixed amount members pay for a specific covered healthcare service, product or treatment, usually at the time of receiving it. For example, they might pay \$20 for a doctor visit.

## **Deductible**

The amount members may pay in a calendar year for care that requires a deductible before the plan starts paying.

## **Medicare Part A deductible**

The amount normally due from a member upon first admission to a hospital in each benefit period, before benefits are available under Part A of Medicare.

## **Medicare Part B deductible**

The amount a member must pay each calendar year before Part B of Medicare pays benefits for Medicare Part B expenses.

## **Member Handbook**

Describes what is covered and how your plan works.

## **Out-of-pocket costs**

What members pay in a calendar year for care after their plan pays its portion. These expenses may include deductibles, copays and coinsurance for covered services.

# Things you need *to know*

At Moda Health, we design our benefits and member services with you in mind. Here are a few additional details you may need to know.

## **Am I eligible?**

You may apply for coverage if you are age 65 and older, live in Alaska and are enrolled in Medicare Parts A and B.

## **When does coverage begin?**

If you apply during an open enrollment period (within six months of becoming eligible for Part B), your coverage will start the first of the month following the date we receive your application. If you do not apply during an open enrollment period, we will notify you of the date your coverage will begin after your application is approved.

## **Is there a waiting period?**

If you transfer directly to a Moda Health Medicare Supplement plan from a Medicare HMO, a Medicare supplemental policy or other coverage, we will credit day-for-day the amount of time you were enrolled under one of those plans. If you were enrolled for six or more months, you will not have a six-month waiting period.

## **Premium Information**

We, Moda Health, can only raise your premium if we raise the premium for all policies like yours in this state. The required premium for the plan is subject to change. Any change in premiums will occur once in a 12-month period, and will apply to all subscribers insured under the plan who reside in the state of Alaska.

## **Benefit and information updates**

Your Moda Health Medicare Supplement policy will automatically coordinate with changes in Medicare each year. We'll keep you informed about any changes.

## **No claim forms**

If you have a claim, just mail a copy of the Medicare Summary Notice (MSN) form you receive from Medicare to us. We'll do the rest.

### **Electronic claims filing**

Electronic claims filing is now available at no extra cost. Medicare Part B claims will be forwarded directly to Moda Health Medicare Supplement after Medicare pays its share. You will know that a bill was submitted directly to Moda Health Medicare Supplement because it will have the following statement printed on the bottom: "This claim has been forwarded to your secondary Medicare payor."

Moda Health Medicare Supplement will send you an Explanation of Benefits indicating the amount paid and payment, if you are being reimbursed.

### **Disclosures**

Use this outline to compare benefits and premiums among policies.

### **Read your policy very carefully**

This brochure is only an outline describing your policy's most important features. The policy is your insurance contract. You must read the policy itself to understand all of the rights and duties of both you and Moda Health.

### **Complete answers are very important**

Review the Moda Health Medicare Supplement application carefully before you sign it. Be certain that all information has been properly recorded. When you fill out the application for the new policy, be sure to answer truthfully and completely all questions about your medical and health history. Moda Health may cancel your policy and refuse to pay any claims if you leave out or falsify important medical information.

## **Notice**

This policy may not fully cover all of your medical costs. Neither Moda Health nor its agents are connected with Medicare. This outline of coverage does not give all of the details about Medicare coverage. For a complete description of Medicare benefits, contact your local Social Security office, or refer to the “Medicare & You 2022” handbook online at [medicare.gov](https://www.medicare.gov) or by calling 800-633-4227.

## **Guaranteed renewability**

We will never cancel your policy because of your age or claims experience.

## **Right to return policy**

If you find that you are not satisfied with your policy, you may return it to Moda Health, Attention: Individual Membership Accounting, 601 S.W. Second Ave., Portland, OR 97204. If you send back the policy within 30 days of receiving it, we will treat the policy as if it had never been issued and return all of your premium.

## **Policy replacement**

If you are replacing another health insurance policy, do NOT cancel it until you actually have received your new policy and are sure you want to keep it.
