SECTION 1. WELCOME

Oregon Dental Service (ODS) was created in 1955 and was the first company in America to provide prepaid dental coverage. Today ODS, part of the Moda Health organization, is Oregon's largest, covering over 650,000 people from more than 1,400 groups.

ODS is pleased to have been chosen by the Group as its dental plan. This handbook is designed to provide members with important information about the Plan's benefits, limitations and procedures.

Members may direct questions to one of the numbers listed below or access tools and resources on Moda Health's personalized member website, myModa, at www.modahealth.com/oebb. myModa is available 24 hours a day, 7 days a week allowing members to access plan information whenever it's convenient.

During the first appointment, members should tell the dentist they have dental benefits through ODS. Members will need to provide the subscriber identification number and ODS Group number to the dentist. These numbers are located on the I.D. card.

ODS reserves the right to monitor telephone conversations and e-mail communications between its employees and its members for legitimate business purposes as determined by ODS. The monitoring is to ensure the quality and accuracy of the service provided by employees of ODS.

This handbook may be changed or replaced at any time, by OEGB or ODS, without the consent of any member. The most current handbook is available on myModa, accessed through the Moda Health website. All plan provisions are governed by OEGB's policy with ODS. This handbook may not contain every plan provision.

SECTION 2. USING THE PLAN

ODS' dental plans are easy to use and cost effective. If members choose a participating Delta Dental Premier dentist from the ODS Delta Dental Premier Dental Directory (which is available on Moda Health's website at www.modahealth.com/oebb under "Find Care"), all of the paperwork takes place between ODS and the dentist's office. More than 90% of all licensed dentists in Oregon are ODS participating Delta Dental Premier dentists. For travelers and employees outside Oregon, ODS' national affiliation with Delta Dental Plans Association provides offices and/or contacts in every state. Also, dental claims incurred any place in the world may be processed in Oregon.

Members needing dental care may go to any dental office. However, there are differences in reimbursement by ODS for participating Premier dentists and non-participating dentists or dental care providers. While a member may choose the services of any dentist, ODS does not guarantee the availability of any particular dentist.

At an initial appointment, members should tell the dentist that they have dental benefits through ODS. Members will need to provide their subscriber identification number and ODS group number to the dentist. These numbers are located on the I.D. card.

For expensive treatment plans, ODS provides a predetermination service. The dentist may submit a predetermination request to get an estimate of what the Plan would pay. The predetermination will be processed according to the Plan's current contract and returned to the dentist. The member and his or her dentist should review the information before beginning treatment.

For questions about the Plan, members should contact Customer Service.

This handbook describes the benefits of the Plan. It is the member's responsibility to review this handbook carefully and to be aware of the Plan's limitations and exclusions.

SECTION 3. DEFINITIONS

The following are definitions of some important terms used in this handbook. Terms used but not otherwise defined in this handbook shall have the same meaning as those terms in the OEGB Administrative Rules.

Alveoloplasty is the surgical shaping of the bone of the upper or the lower jaw. It is performed most commonly in conjunction with the removal of a tooth or multiple teeth to have the gums heal smoothly for the placement of partial denture or denture.

Amalgam is a silver-colored material used in restoring teeth.

Anterior refers to teeth located at the front of the mouth. (tooth chart in Section 13).

Benefits means those covered services that are available under the terms of the Plan.

Bicuspid is a premolar tooth, between the front and back teeth. (tooth chart in Section 13)

Bridge is also called a fixed partial denture. A bridge replaces one or more missing teeth using a pontic (false tooth or teeth) permanently attached to the adjacent teeth. Retainer crowns (crowns placed on adjacent teeth) are considered part of the bridge.

Broken A tooth is considered broken when a piece or pieces of the tooth have been completely separated from the rest of the tooth. A tooth with cracks is not considered broken.

Cast Restoration includes crowns, inlays, onlays, and any other restoration to fit a specific member's tooth that is made at a laboratory or dental office and cemented into the tooth.

Coinsurance means the percentages of covered expenses to be paid by a member.

Composite is a tooth-colored material used in restoring teeth.

Cost Sharing is the share of costs a member must pay when receiving a covered service, including deductible, copayments or coinsurance. Cost sharing does not include premiums, balance billing amounts for out-of-network providers or the cost of non-covered services.

Debridement is the removal of excess plaque. A periodontal 'pre-cleaning' procedure done when there is too much plaque for the dentist to perform an exam.

Deductible is the amount of covered expenses that are paid by a member before benefits are payable by the Plan.

Dentally Necessary means services that:

- a. are established as necessary for the treatment or prevention of a dental injury or disease otherwise covered under the Plan
- b. are appropriate with regard to standards of good dental practice in the service area
- c. have a good prognosis
- d. are the least costly of the alternative supplies or levels of service that can be safely provided. For example, coverage would not be allowed for a crown when a filling would be adequate to restore the tooth appropriately

The fact that a dentist may recommend or approve a service or supply does not, of itself, make the charge a covered expense.

Dentist means a licensed dentist, to the extent that he or she is operating within the scope of his or her license as required under law within the state of practice.

Denture Repair is a procedure done to fix a complete, immediate, or partial denture. This includes adding a tooth to a partial denture, replacing a broken tooth in a denture, or fixing broken framework and/or base.

Enrolled Dependent means a subscriber's eligible spouse, domestic partner, or child whose application has been accepted by OEBC and who is enrolled in the Plan.

The **Group** is the organization whose employees are covered by the Plan.

Group Health Plan means any plan, fund or program established and maintained by the Group for the purpose of providing healthcare for its employees or their dependents through insurance, reimbursement or otherwise. This dental benefit plan is a group health plan.

Implant is an artificial, permanent tooth root replacement used to replace a missing tooth or teeth. It is surgically placed into the upper or lower jaw bone and supports a single crown, fixed bridge, or partial or full denture.

Implant Abutment is an attachment used to connect an implant and an implant supported prosthetic device.

Implant Supported Prosthetic is a crown, bridge, or removable partial or full denture that is supported by or attached to an implant.

Maximum Plan Allowance (MPA) is the maximum amount that ODS will reimburse providers. For a participating Delta Dental Premier dentist, the maximum amount is the dentist's filed or contracted fee with ODS/Delta Dental. If the database does not contain a fee for a particular procedure in a particular area, the claim is referred to ODS' Dental Consultant who determines a comparable code

to the one billed. For non-participating dentists or dental care providers, the maximum amount is based on a per service average allowance of the participating Delta Dental Premier dentists' filed fees. *The non-participating dentist or dental care provider has the right to bill the difference between ODS' maximum plan allowance and the actual charge. This difference will be the member's responsibility.*

Member means and includes the subscriber, spouse, eligible domestic partner or child.

Non-participating Dentist or Dental Provider means a licensed dental provider who has not agreed to the terms and conditions established by ODS that participating Delta Dental Premier dentists have agreed to.

ODS refers to Oregon Dental Service, a not-for-profit dental healthcare service contractor.

Participating Delta Dental Premier Dentist means a licensed dentist who has agreed to render services in accordance with terms and conditions established by ODS and has satisfied ODS that he or she is in compliance with such terms and conditions.

Periodic Exam is a routine exam (check-up), commonly performed every six months.

Periodontal Maintenance is a periodontal procedure for members who have previously been treated for periodontal disease. In addition to cleaning the visible surfaces of the teeth (as in prophylaxis) surfaces below the gum-line are also cleaned. This is a more comprehensive service than a regular cleaning (prophylaxis).

Plan is the dental benefit plan sponsored by OEGB and insured under the terms of the policy between OEGB and ODS as described in the member handbook.

Policy is the agreement between OEGB and ODS for insuring the dental benefit plan sponsored by OEGB. This handbook is a part of the policy.

Pontic is an artificial tooth that replaces a missing tooth and is part of a bridge.

Posterior refers to teeth located toward the back of the mouth. (tooth chart in Section 13).

Prophylaxis is cleaning and polishing of all teeth.

Reline means the process of resurfacing the tissue side of a denture with new base material.

Restoration is the treatment that repairs a broken or decayed tooth. Restorations include, but are not limited to, fillings and crowns.

Retainer is a tooth used to support a prosthetic device (bridges, partial dentures or overdentures). Also see "**Implant Abutment.**"

Subscriber means an eligible employee or former employee who is enrolled in the Plan.

Veneer is a layer of tooth-colored material attached to the surface of an anterior tooth to repair chips or cracks, fix gaps and change the shape and size of teeth. A **chairside veneer** is a restoration created in the dentist's office. A **laboratory veneer** is a restoration that is created (cast) at a laboratory. Chairside and laboratory veneers may be paid at different benefit levels.

SECTION 4. BENEFITS AND LIMITATIONS

The Plan covers the services listed below when performed by a dentist or dental care provider, (denturist or registered hygienist), and only when determined to be necessary and customary by the standards of generally accepted dental practice for the prevention or treatment of oral disease or for accidental injury (accidental injury coverage is secondary to medical). ODS' dental consultants and dental director shall determine these standards.

Payment of covered expenses is always limited to the maximum plan allowance. In no case will benefits be paid for services provided beyond the scope of a dentist's or dental care provider's license, certificate or registration. Services covered under the medical portion of a member's plan will not be covered on this Plan except when related to an accident.

Benefits are based on the plan year (the period commencing October 1 of any calendar year and ending September 30 of the subsequent calendar year or portion thereof). Covered dental services are outlined in four "classes" that start with preventive care and advance into specialized dental procedures.

Limitations may apply to these services and are noted below. See Section 6 for exclusions.

4.6 NON-PARTICIPATING DENTISTS

The amounts payable for services of a non-participating dentist or dental care provider are limited to the applicable percentages specified in the Plan for corresponding services in the non-participating dentist fee schedule. The allowable fee in states other than Oregon shall be that state's Delta Affiliate's non-participating dentist allowance.

SECTION 5. ORAL HEALTH, TOTAL HEALTH PROGRAM

Visiting a dentist on a regular basis and keeping the mouth healthy is critical to keeping the rest of the body healthy.

Studies have indicated a relationship between periodontal disease, bacteria in the mouth, and various health problems including pre-term, low birth weight babies and diabetes.

5.1 ORAL HEALTH, TOTAL HEALTH BENEFITS

ODS has developed a program that provides additional cleanings (prophylaxis or periodontal maintenance) for ODS members based on this evidence. This benefit is for the cleaning only. Coverage for a routine exam and other services is subject to the frequency limitations outlined in Section 4.

5.1.1 Diabetes

For members with diabetes, elevated blood sugar levels can have a negative effect on oral health. Diabetes increases the risk of cavities, gum disease, tooth loss, dry mouth and infection. Conversely, poor oral health can make diabetes more difficult to manage. Infections may cause blood sugar to rise and require more insulin to keep it under control. Research confirms that regular visits to the dentist may help in the diagnosis and management of diabetes.

Diabetic members are eligible for a total of 4 cleanings per year.

5.1.2 Pregnancy

Keeping the mouth healthy during a pregnancy is important for the member and the baby. According to the American Dental Association, pregnant women who have periodontal (gum) disease are more likely to have a baby that is born too early and too small.

Research suggests that periodontal disease triggers increased levels of biological fluids that induce labor. Furthermore, data suggests that women whose periodontal condition worsens during pregnancy have an even higher risk of having a premature baby. Dental visits during a woman's third trimester of pregnancy may help prevent pre-term, low birth weight babies.

Members should talk to their dentist about scheduling a routine cleaning or periodontal maintenance during the third trimester of pregnancy. Pregnant members are eligible for a cleaning in the third trimester of pregnancy regardless of normal plan frequency limits.

5.1.3 How to Enroll

Enrolling in the Oral Health, Total Health program is easy. To enroll, a member can contact ODS' Customer Service or complete and return the Oral Health, Total Health enrollment form found on myModa. Members with diabetes must include proof of diagnosis.

SECTION 6. EXCLUSIONS

SECTION 7. ELIGIBILITY

The Plan's eligibility rules are outlined in the Oregon Administration Rules under OAR 111-015-0001. The date a person becomes eligible may be different than the date coverage begins. More specific information can be found in the "Enrollment" section (see Section 8).

7.1 ELIGIBILITY AUDIT

ODS reserves the right to conduct audits to verify a member's eligibility, and may request documentation including but not limited to employee timecards, member birth certificates, adoption paperwork, marriage certificates, domestic partnership registration and any other evidence necessary to document eligibility on the Plan.

SECTION 8. ENROLLMENT

8.1 NEWLY-HIRED AND NEWLY-ELIGIBLE ACTIVE ELIGIBLE EMPLOYEES

The Plan's enrollment rules for newly-hired and newly-eligible active eligible employees are outlined in the Oregon Administrative Rules under OAR 111-040-0010.

8.2 QUALIFIED STATUS CHANGES

The Plan's enrollment rules for qualified status changes are outlined in the Oregon Administrative Rules under OAR 111-040-0040.

Eligible employees and their spouse, registered domestic partner, domestic partner or children may also have additional enrollment rights under the Children's Health Insurance Program Reauthorization Act of 2009. If prior coverage was under Medicaid or a children's health insurance program (CHIP) and such coverage was terminated due to loss of eligibility. Special enrollment must be requested within 60 days of the termination.

In addition, if an eligible employee, spouse, registered domestic partner, domestic partner or child covered under Medicaid or CHIP becomes eligible for a premium assistance subsidy, and special enrollment is requested within 60 days of the determination of eligibility, they may enroll in the Plan outside of the open enrollment period.

The special enrollment rights as described above apply:

- a. To an eligible employee who loses other coverage or becomes eligible for a premium assistance subsidy
- b. To a subscriber's dependent who loses other coverage or becomes eligible for a premium assistance subsidy
- c. To both an eligible employee and his or her dependent if neither is enrolled under the Plan, and either loses coverage or becomes eligible for a premium assistance subsidy

To enroll, an eligible employee will need to submit a complete and signed application within the required timeframe.

Enrolling a new dependent may cause a premium increase. Premiums will be adjusted accordingly and will apply during the first 60 days of coverage for newborn or adopted children. If payment is required but not received, the child will not be covered. A signed copy of court-ordered guardianship will be required for coverage of a grandchild.

8.3 EFFECTIVE DATES

The Plan's effective dates for enrollment are outlined in the Oregon Administrative Rules under OAR 111-040-0001.

The necessary premiums must also be paid for coverage to become effective.

8.4 OPEN ENROLLMENT

The Plan's open enrollment rules are outlined in the Oregon Administrative Rules under OAR 111-040-0020.

8.5 LATE ENROLLMENT

The Plan's open enrollment rules are outlined in the Oregon Administrative Rules under OAR 111-040-0020.

8.6 RETURNING TO ACTIVE ELIGIBLE EMPLOYEE STATUS

The Plan's enrollment rules for those individuals returning to active eligible employee status are outlined in the Oregon Administrative Rules under OAR 111-040-0035.

All plan provisions will resume at re-enrollment whether or not there was a lapse in coverage. Any exclusion period that was not completed at the time the subscriber was laid off or had a reduction in hours must be satisfied. However, the period of layoff or reduction in hours will be counted toward the exclusion period. Upon re-enrollment in the Plan, any waiting period required by the Plan will not have to be re-served.

8.7 REMOVING AN INELIGIBLE INDIVIDUAL FROM BENEFIT PLANS

The Plan's rules for removing an ineligible individual from the Plan are outlined in the Oregon Administrative Rules under OAR 111-040-0015.

8.8 WHEN COVERAGE ENDS

Termination dates for loss of eligibility, death of the active eligible employee, and retirement of the active eligible employee are outlined in the Oregon Administrative Rules under OAR 111-040-0005. When the subscriber's coverage ends, coverage for all enrolled dependents also ends. In addition, there are a variety of other circumstances in which a member's coverage will end. These are described in the following paragraphs.

8.8.1 Termination of the Group Plan

If the Plan is terminated for any reason, coverage ends for the Group and members on the date the Plan ends.

8.8.2 Termination by a Subscriber

A subscriber may terminate his or her coverage, or coverage for any enrolled dependent, by giving ODS written notice through OEGB, in accordance with OEGB's Administrative Rules. Coverage will end on the last day of the month through which premiums are paid.

8.8.3 Rescission by Insurer

The Plan's enrollment rules for rescission by insurer are outlined in OEGB's Administrative Rules.

8.8.4 Certificates of Creditable Coverage

Certificates of creditable coverage will be issued when coverage ends, when COBRA coverage ends, and when a member requests a certificate while covered under the Plan or within 2 years of losing coverage.

8.8.5 Continuing Coverage

Information is in Continuation of Dental Coverage (Section 12).

8.9 DECLINATION OF COVERAGE

The Plan's rules for declining coverage are outlined in the Oregon Administrative Rules under OAR 111-040-0050.

SECTION 9. CLAIMS ADMINISTRATION AND PAYMENT

9.1 SUBMISSION AND PAYMENT OF CLAIMS

9.1.1 Claim Submission

In no event, except absence of legal capacity or in the case of a Medicaid claim, is a claim valid if submitted later than 12 months from the date the expense was incurred at the address listed below. Claims submitted by Medicaid must be sent to ODS within three years after the date the expense was incurred.

ODS
Attn: Dental
601 SW Second Avenue
Portland, Oregon 97207

9.1.2 Explanation of Benefits (EOB)

Soon after receiving a claim, ODS will report its action on the claim by providing the member a document called an Explanation of Benefits (EOB). Members are encouraged to access their EOBs electronically by signing up through myModa. ODS may pay claims, deny them, or apply the allowable expense toward satisfying the deductible, if any. If all or part of a claim is denied, the reason will be stated in the EOB.

If a member does not receive an EOB or an e-mail indicating that an EOB is available within a few weeks of the date of service, this may indicate that ODS has not received the claim. To be eligible for reimbursement, claims must be received within the claim submission period explained in section 9.1.1.

9.1.3 Claim Inquiries

Customer Service can answer questions about how to file a claim, the status of a pending claim, or any action taken on a claim. ODS will respond to an inquiry within 30 days of receipt.

9.2 DISPUTE RESOLUTION

9.2.1 Definitions

For purposes of section 9.2, the following definitions apply:

Adverse Benefit Determination means a written notice from ODS, in the form of a letter or an Explanation of Benefits (EOB), of any of the following: a denial, reduction, or termination of, or a failure to provide or make payment (in whole or in part) for a benefit, including one based on a determination of a member's eligibility to participate in the Plan, and one resulting from the application of any utilization review, as well as a failure to cover an item or service for which benefits are otherwise provided because it is determined to be experimental or investigational or not necessary and customary by the standards of generally accepted dental practice for the prevention or treatment of oral disease or accidental injury.

Appeal is a written request by a member or his or her representative for ODS to review an adverse benefit determination.

Utilization Review means a system of reviewing the dental necessity, appropriateness, or quality of dental care services and supplies using specific guidelines, including certification, the application of practice guidelines, and retrospective review. An adverse benefit determination that the item or service is not dentally necessary or appropriate, is investigational or experimental, or in which the decision as to whether a benefit is covered involved a dental judgment is a utilization review decision.

9.2.2 Time Limit for Submitting Appeals

Members have **180 days** from the date of an adverse benefit determination to submit an initial written appeal. If an appeal is not submitted within the timeframes outlined in this section, the rights to the appeal process will be lost.

9.2.3 The Review Process

The Plan has a two-level internal review process consisting of a first-level appeal and a second-level appeal. ODS' response time to an appeal is based on the nature of the claim as described below.

The timelines addressed in the sections below do not apply when:

the member does not reasonably cooperate, or circumstances beyond the control of either party prevents that party from complying with the standards set (but only if the party who is unable to comply gives notice of the specific circumstances to the other party when the circumstances arise).

9.2.4 First-level Appeals

Before filing an appeal it may be possible to resolve a dispute with a phone call to Customer Service . Otherwise, an appeal must be submitted in writing. If necessary, Customer Service can provide assistance filing an appeal. Written comments, documents, records, and other information relating to the claim for benefits may be submitted. Upon request and free of charge, the member may have reasonable access to, and copies of, all documents, records, and other information relevant to the claim for benefits. ODS will acknowledge receipt of the written appeal within seven days and conduct an investigation by persons who were not previously involved in the original determination. The investigation will be completed within 30 days of receipt of the appeal.

When an investigation has been completed, ODS will send a written notice of the decision to the member, including the basis for the decision. If applicable, the notice will include information on the right to a second level appeal.

9.2.5 Second-level Appeal

A member who disagrees with the decision regarding the first-level appeal may request a review of the decision. A second-level appeal must be submitted in writing within 60 days of the date of ODS' action on the first-level appeal. Investigations and responses to a second-level appeal will be by persons who were not involved in the initial determinations. The member will have the option to submit written comments, documents, records and other information related to the case that were not previously submitted.

Investigations and responses to a second-level appeal will follow the same timelines outlined in section 9.2.4. ODS will notify the member in writing of the decision, including the basis for the decision.

9.3 BENEFITS AVAILABLE FROM OTHER SOURCES

Sometimes dental expenses may be the responsibility of someone other than ODS.

9.3.1 Coordination of Benefits (COB)

This provision applies when a member has healthcare coverage under more than one plan. A complete explanation of COB is in section 10.

9.3.2 Third-Party Liability

A member may have a legal right to recover benefit or healthcare costs from a third party, as a result of an illness or injury for which benefits or healthcare costs were paid by ODS. For example, a member who is injured may be able to recover the benefits or healthcare costs from a person or entity responsible for the injury or from an insurer, including different forms of liability insurance, or uninsured motorist coverage or under-insured motorist coverage. As another example, a member may become sick or be injured in the course of employment, in which case the employer or a workers' compensation insurer may be responsible for healthcare expenses connected with the illness or injury. If ODS makes an advance payment of benefits, as described below, it is entitled to be reimbursed for any benefits it paid that are associated with any illness or injury that are or may be recoverable from a third party or other source. Amounts received by ODS through these recoveries help reduce the cost of premiums and providing benefits.

Payment of benefits where a third party may be legally liable is excluded under the terms of the Plan. Because recovery from a third party may be difficult and take a long time, as a service to the member ODS will pay a member's expenses based on the understanding and agreement that the member is required to honor ODS' subrogation rights as discussed below and, if requested, to reimburse ODS in full from any recovery the member may receive, no matter how the recovery is characterized.

Upon claiming or accepting benefits, or the provision of benefits, under the terms of the Plan, the member agrees that ODS has the remedies and rights described in section 9.3.2. ODS may elect to seek recovery under one or more of the procedures outlined in this section. The member agrees to do whatever is necessary to fully secure and protect, and to do nothing to prejudice, ODS' right of reimbursement or subrogation as discussed in this section. ODS has the sole discretion to interpret and construe these reimbursement and subrogation provisions.

9.3.3 Definitions:

For purposes of section 9.3.2, the following definitions apply:

Benefits means any amount paid by ODS, or submitted to ODS for payment to or on behalf of a member. Bills, statements or invoices submitted to ODS by a provider of services, supplies or facilities to or on behalf of a member are considered requests for payment of benefits by the member.

Recovery Funds means any amount recovered from a third party.

Third Party means any person or entity responsible for the injury or illness, or the aggravation of an injury or illness, of a member. Third party includes any insurer of such person or entity, including different forms of liability insurance, or any other form of insurance that may pay money to or on behalf of the member including uninsured motorist coverage, under-insured motorist coverage, premises med-pay coverage, personal injury protection (PIP) coverage, and workers' compensation insurance.

Third-party Claim means any claim, lawsuit, settlement, award, verdict, judgment, arbitration decision or other action against a third party (or any right to assert the foregoing) by or on behalf of a member, regardless of how the claims, damages or recovery funds are characterized. (For example, a member who has received payment of dental/medical expenses from ODS may file a third-party claim against the party responsible for the member's injuries, but only seek the recovery of non-economic damages. In that case, ODS is still entitled to recover benefits as described in section 9.3.2.)

9.3.4 Subrogation

Upon payment by the Plan, ODS shall be subrogated to all of the member's rights of recovery. The member shall do whatever is necessary to secure such rights and do nothing to prejudice them.

ODS may pursue the third party in its own name, or in the name of the member. ODS is entitled to all subrogation rights and remedies under the common and statutory law, as well as under the Plan.

9.3.5 Right of Recovery

In addition to its subrogation rights, ODS may, at its sole discretion and option, ask that a member, and his or her attorney, if any, protect its reimbursement rights. The following rules apply to this right of recovery:

- a. The member holds any rights of recovery against the third party in trust for ODS, but only for the amount of benefits ODS paid for that illness or injury
- b. ODS is entitled to receive the amount of benefits it has paid for that illness or injury out of any settlement or judgment that results from exercising the right of recovery against the third party. This is so regardless of whether the third party admits liability or asserts that the member is also at fault. In addition, ODS is entitled to receive the amount of benefits it has paid whether the healthcare expenses are itemized or expressly excluded in the third-party recovery

- c. If ODS asks the member, and his or her attorney to protect its reimbursement rights under this section, then the member may subtract from the money to be paid back to ODS a proportionate share of reasonable attorney fees as an expense for collecting from the other party
- d. ODS may ask the member to sign an agreement to abide by the terms of this section ODS will not be required to pay benefits for the illness or injury until the agreement is properly signed and returned
- e. This right of recovery includes the full amount of the benefits paid, or pending payment by ODS out of any recovery made by the member from the third party, including, without limitation, any and all amounts from the first dollars paid or payable to the member (including his or her legal representatives, estate or heirs, or any trust established for the purpose of paying for the future income, care or medical expenses of the member), regardless of the characterization of the recovery, whether or not the member is made whole, or whether or not any amounts are paid or payable directly by the third party, an insurer or another source. ODS' recovery rights will not be reduced due to the member's own negligence
- f. If it is reasonable to expect that the member will incur future expenses for which benefits might be paid by ODS, the member shall seek recovery of such future expenses in any third-party claim

9.3.6 Motor Vehicle Accidents

Any expense for injury or illness that results from a motor vehicle accident and is payable under a motor vehicle insurance policy is not a covered benefit under the Plan and will not be paid by ODS.

If a claim for denial care expenses arising out of a motor vehicle accident is filed with ODS and motor vehicle insurance has not yet paid, then ODS may advance benefits, subject to sections 9.3.4 and 9.3.5.

In addition, third-party claims involving the use or operation of a motor vehicle, ODS, at its sole discretion and option, is entitled to seek reimbursement under the Personal Injury Protection statutes of the state of Oregon, including ORS 742.534, ORS 742.536, or ORS 742.538 or under applicable state law.

9.3.7 Additional Third-party Liability Provisions

In connection with ODS' rights as discussed in the above sections, members shall do one or more of the following and agree that ODS may do one or more of the following, at its discretion:

- a. If a member seeks payment by ODS of any benefits for which there may be a third-party claim, the member shall notify ODS of the potential third-party claim. The member has this responsibility even if the first request for payment of benefits is a bill or invoice submitted to ODS by the member's provider

- b. Upon request from ODS, the member shall provide all information available to the member, or any representative or attorney representing the member, relating to the potential third-party claim. The member and his or her representatives are obligated to notify ODS in advance of any claim (written or oral) and/or any lawsuit made against a third party seeking recovery of any damages from the third party, whether or not the member is seeking recovery of benefits paid by ODS from the third party
- c. A member seeking advance payment of benefits by ODS, in accordance with section 9.3.2, must fill out, sign and return to ODS a Third Party Reimbursement Questionnaire and Agreement. If the member is a minor or legally incapable of contracting, the member's parent or guardian must sign, and if the member has retained an attorney, then the attorney must also sign the agreement
- d. The member shall cooperate with ODS to protect its recovery rights, and in addition, but not by way of limitation, shall:
 - i. Sign and deliver any documents ODS reasonably requires to protect its rights
 - ii. Provide any information to ODS relevant to the application of the provisions of section 9.3.2, including dental/medical information (doctors' reports, chart notes, diagnostic test results, etc.), settlement correspondence, copies of pleadings or demands, and settlement agreements, releases or judgments
 - iii. Take such actions as ODS may reasonably request to assist ODS in enforcing its third-party recovery rights
- e. By accepting payment of benefits by ODS, the member agrees that ODS has the right to intervene in any lawsuit or arbitration filed by or on behalf of a member seeking damages from a third party
- f. The member agrees that ODS may notify any third party, or third party's representatives or insurers, of its recovery rights described in section 9.3.2
- g. Even without the member's written authorization, ODS may release to, or obtain from, any other insurer, organization or person, any information it needs to carry out the provisions of section 9.3.2
- h. Section 9.3.2 applies to any member for whom advance payment of benefits is made by ODS whether or not the event giving rise to the member's injuries occurred before the member became covered by ODS
- i. If the member continues to receive dental/medical treatment for an illness or injury after obtaining a settlement or recovery from a third party, ODS will provide benefits for the continuing treatment of that illness or injury only to the extent that the member can establish that any sums that may have been recovered from the third party have been exhausted

- j. If the member or the member's representatives fail to do any of the foregoing acts at ODS' request, then ODS has the right to not advance payment of benefits or to suspend payment of any benefits for or on behalf of the member related to any sickness, illness, injury or dental/medical condition arising out of the event giving rise to, or the allegations in, the third-party claim. In exercising this right, ODS may notify dental/medical providers seeking authorization or prior authorization of payment of benefits that all payments have been suspended, and may not be paid
- k. Coordination of benefits (where the member has dental/medical coverage under more than one plan or health insurance policy) is not considered a third-party claim
- l. If any term, provision, agreement or condition of section 9.3.2 is held by a court of competent jurisdiction to be invalid or unenforceable, the remainder of the provisions shall remain in full force and effect and shall in no way be affected, impaired or invalidated

SECTION 10. COORDINATION OF BENEFITS

Coordination of Benefits (COB) occurs when a member has dental coverage under more than one plan.

10.1 DEFINITIONS

For purposes of Section 11, the following definitions apply:

Plan means any of the following that provides benefits or services for dental care or treatment. If separate contracts are used to provide coordinated coverage for covered persons in a group, the separate contracts are considered parts of the same plan and there is no COB among those separate contracts.

Plan includes:

- a. Group or individual insurance contracts and group-type contracts
- b. HMO (health maintenance organization) coverage
- c. Coverage under a labor-management trusteed plan, a union welfare plan, an employer organization plan or an employee benefits plan
- d. Medicare or other government programs, other than Medicaid, and any other coverage required or provided by law
- e. Other arrangements of insured or self-insured group or group-type coverage

Plan does not include:

- a. Fixed indemnity coverage
- b. Accident-only coverage
- c. Specified disease or specified accident coverage
- d. School accident coverage
- e. Medicare supplement policies
- f. Medicaid policies
- g. Coverage under other federal governmental plans, unless permitted by law

Each contract or other arrangement for coverage described above is a separate plan. If a plan has 2 parts and COB rules apply to only one of the 2, each of the parts is treated as a separate plan.

Complying plan is a plan that complies with these COB rules.

Non-complying plan is a plan that does not comply with these COB rules.

Claim means a request that benefits of a plan be provided or paid.

Allowable expense means a dental expense, including cost sharing, that is covered at least in part by any plan covering the member. When a plan provides benefits in the form of a service rather than cash payments, the reasonable cash value of the service will also be considered an allowable expense and a benefit paid. An expense that is not covered by any plan covering the member is not an allowable expense. In addition, any expense that a provider by law or in accordance with a contractual agreement is prohibited from charging a member is not an allowable expense.

The following are examples of expenses that are **not** allowable expenses:

- a. The amount of the reduction by the primary plan because a member has failed to comply with the plan provisions concerning second opinions or prior authorization of services, or because the member has a lower benefit due to not using an in-network provider
- b. Any amount in excess of the highest reimbursement amount for a specific benefit, if a member is covered by two or more plans that compute their benefit payments on the basis of usual and customary fees or relative value schedule reimbursement methodology or other similar reimbursement methodology
- c. Any amount in excess of the highest of the negotiated fees, if a member is covered by 2 or more plans that provide benefits or services on the basis of negotiated fees
- d. If a member is covered by one plan that calculates its benefits or services on the basis of usual and customary fees or relative value schedule reimbursement methodology or other similar reimbursement methodology and another plan that provides its benefits or services on the basis of negotiated fees, the primary plan's arrangement shall be the allowable expense for all plans. However, if the provider has contracted with the secondary plan to provide the benefit or service for a specific negotiated fee or payment amount that is different than the primary plan's payment arrangement and if the provider's contract permits, the negotiated fee or payment shall be the allowable expense used by the secondary plan to determine its benefits

Plan is the part of this group policy that provides benefits for dental expenses to which the COB provision applies and which may be reduced because of the benefits of other plans. Any other part of the policy providing dental benefits is separate from this Plan. A policy may apply one COB provision to certain benefits, coordinating only with similar benefits, and may apply another COB provision to coordinate other benefits.

Closed panel plan is a plan that provides dental benefits to covered persons primarily in the form of services through a network of providers that are contracted with or are employed by the plan, and that excludes coverage for services provided by other providers, except in cases of emergency or referral by an in-network provider.

Custodial parent is the parent awarded custody by a court decree or, in the absence of a court decree, is the parent with whom the child resides more than one half of the calendar year excluding any temporary visitation.

10.2 How COB WORKS

If the member is covered by another plan or plans, the benefits under this Plan and the other plan(s) will be coordinated. This means one plan pays its full benefits first, then any other plans pay. The order of benefit determination rules govern the order in which each plan will pay a claim for benefits.

Primary plan (the plan that pays benefits first) pays the benefits that would be payable under its terms in the absence of this provision.

Secondary plan (the plan that pays benefits after the primary plan) will reduce the benefits it pays so that payments from all plans do not exceed 100% of the total allowable expense.

This Plan will coordinate with a plan that is “excess” or “always secondary” or that uses order of benefit determination rules that are inconsistent with those contained in OAR 836-020-0770 to 836-020-0805 (non-complying plan) on the following basis:

- a. If this Plan is primary, it will provide its benefits first
- b. If this Plan is secondary and the non-complying plan does not provide its primary payment information within a reasonable time after it is requested to do so, this Plan will assume that the benefits of the non-complying plan are identical to this Plan’s benefits. This Plan will provide its benefits first, but the amount of the benefits payable shall be determined as if this Plan were the secondary plan
- c. If the non-complying plan reduces its benefits so that the member receives less in benefits than he or she would have received had this Plan provided its benefits as the secondary plan and the non-complying plan provided its benefits as the primary plan, then this Plan shall advance additional benefits equal to the difference between the amount that was actually paid and the amount that should have been paid if the non-complying plan had not improperly reduced its benefits. Additional payment will be limited so that ODS will not pay any more than it would have paid if it had been the primary plan. In consideration of such an advance, this Plan shall be subrogated to all rights of the member against the non-complying plan

10.3 ORDER OF BENEFIT DETERMINATION (WHICH PLAN PAYS FIRST?)

The first of the following rules that applies will govern:

- a. **Non-dependent/Dependent.** If a plan covers the member as other than a dependent, for example, an employee, member of an organization, primary insured, or retiree, then that plan will determine its benefits before a plan which covers the member as a dependent
- b. **Dependent Child/Parents Married, Registered Domestic Partners or Living Together.** If the member is a dependent child whose parents are married, registered domestic partners, or are living together whether or not they have ever been married or registered domestic

partners, the plan of the parent whose birthday falls earlier in the calendar year is the primary plan. If both parents' birthdays are on the same day, the plan that has covered the parent the longest is the primary plan. (This is called the 'Birthday Rule')

- c. **Dependent Child/Parents Separated or Divorced or Not Living Together.** If the member is a dependent child of divorced or separated parents, or parents not living together whether or not they have ever been married or registered domestic partners, then the following rules apply:
 - i. If a court decree states that one of the parents is responsible for the healthcare expenses of the child, and the plan of that parent has actual knowledge of those terms, that plan is primary. This rule applies to plan years commencing after the plan is given notice of the court decree
 - ii. If a court decree states that both parents are responsible for the healthcare expenses of the child, or that the parents have joint custody without specifying that one parent is responsible, the 'birthday rule' described above applies
 - iii. If there is not a court decree allocating responsibility for the child's healthcare expenses, the order of benefits is as follows:
 - A. First the plan covering the custodial parent
 - B. Second the plan covering the spouse or domestic partner of the custodial parent
 - C. Third the plan covering the non-custodial parent
 - D. Fourth the plan covering the spouse or domestic partner of the non-custodial parent
- d. **Dependent Child Covered by Individual Other than Parent.** For a dependent child covered under more than one plan of persons who are not the parents of the child, the first applicable provision (b. or c.) above shall determine the order of benefits as if those persons were the parents of the child
- e. **Dependent Child Covered by Parent and Spouse.** For a dependent child covered under the plans of both a parent and a spouse, the length of coverage provision below shall determine the order of benefits. If coverage under the either or both parents' plans and the spouse's plans began on the same day, the birthday rule will apply
- f. **Active/Retired or Laid Off Employee.** The plan that covers a member as an active employee, that is, one who is neither laid off nor retired (or as that employee's dependent) determines its benefits before those of a plan that covers the member as a laid off or retired employee (or as that employee's dependent). If the other plan does not have this rule, and if, as a result, the plans do not agree on the order of the benefits, this rule is ignored
- g. **COBRA or State Continuation Coverage.** If a member whose coverage is provided under COBRA or under a right of continuation provided by state or other federal law is covered under another plan, the plan covering the member as an employee, member of an organization, subscriber, or retiree or as a dependent of the same, is the primary plan and the COBRA or other continuation coverage is the secondary plan. If the other plan does not have this rule, and if, as a result, the plans do not agree on the order of the benefits, this rule is ignored
- h. **Longer/Shorter Length of Coverage.** The plan that covered a member longer is the primary plan and the plan that covered the member for the shorter period of time is the secondary plan

- h. **None of the Above.** If the preceding rules do not determine the order of benefits, the allowable expenses shall be shared equally between the plans. In addition, this Plan will not pay more than it would have paid had it been the primary plan.

10.4 EFFECT ON THE BENEFITS OF THIS PLAN

In determining the amount to be paid for any claim, the secondary plan will calculate the benefits it would have paid in the absence of other dental coverage and apply that calculated amount to any allowable expense under its plan that is unpaid by the primary plan. The secondary plan shall credit to its plan deductible any amounts it would have credited to its deductible in the absence of other dental coverage.

If the primary plan is a closed panel plan and the member uses an out-of-network provider, the secondary plan shall provide benefits as if it were the primary plan, except for emergency services or authorized referrals that are paid or provided by the primary plan.

10.5 ODS' RIGHT TO COLLECT AND RELEASE NEEDED INFORMATION

In order to receive benefits, the member must give ODS any information needed to pay benefits. ODS may release to or collect from any person or organization any needed information about the member.

10.6 CORRECTION OF PAYMENTS

If benefits that this Plan should have paid are instead paid by another plan, this Plan may reimburse the other plan. Amounts reimbursed are plan benefits and are treated like other plan benefits in satisfying the Plan's liability.

10.7 RIGHT OF RECOVERY

If the Plan pays more for a covered expense than is required by the Plan, the excess payment may be recovered from:

- a. The subscriber
- b. Any person to whom the payment was made
- c. Any insurance company, service plan or any other organization that should have made payment

SECTION 11. MISCELLANEOUS PROVISIONS

11.1 REQUEST FOR INFORMATION

When necessary to process claims, ODS may require a member to submit information concerning benefits to which he or she is entitled. ODS may also require a member to authorize any provider to give ODS information about a condition for which a member claims benefits.

11.2 CONFIDENTIALITY OF MEMBER INFORMATION

Keeping a member's protected health information confidential is very important to ODS. Protected health information includes enrollment, claims, and medical and dental information. ODS uses such information internally for claims payment, referrals and authorization of services, and business operations such as case management and quality management programs. ODS does not sell this information. The Notice of Privacy Practices provides more detail about how ODS uses members' information. A copy of the notice is available on the Moda Health website by following the HIPAA link or by calling ODS at 503-243-4492.

11.3 TRANSFER OF BENEFITS

Only members are entitled to benefits under the Plan. These benefits are not assignable or transferable to anyone else. Any attempted assignment or transfer will not be binding on ODS, except that ODS shall pay amounts due under the Plan directly to a provider upon a member's written request.

11.4 RECOVERY OF BENEFITS PAID BY MISTAKE

If ODS makes a payment for a member to which he or she is not entitled, or pays a person who is not eligible for payments at all, ODS has the right to recover the payment from the person paid or anyone else who benefited from it, including a provider. ODS' right to recovery includes the right to deduct the amount paid from future benefits it would provide for a member even if the payment was not made on that member's behalf.

11.5 CONTRACT PROVISIONS

OEBB's policy with ODS and handbook plus any endorsements or amendments are the entire contract between the parties. No promises, terms, conditions or obligations exist other than those contained in the contract. This handbook and the policy plus any endorsements or amendments

shall supersede all other communications, representations or agreements, either verbal or written between the parties.

11.6 WARRANTIES

All statements made by OEGB or a member, unless fraudulent, are considered representations and not warranties. No statement made for the purpose of obtaining coverage will void the coverage or reduce benefits unless contained in a written form and signed by OEGB or the member, a copy of which has been given to OEGB or member or the member's beneficiary.

11.7 LIMITATION OF LIABILITY

ODS shall incur no liability whatsoever to any member concerning the selection of dentists to render services. In performing or contracting to perform dental service, such dentists shall be solely responsible, and in no case shall ODS be liable for the negligence of any dentist rendering such services. Nothing contained in the Plan shall be construed as obligating ODS to render dental services.

11.8 PROVIDER REIMBURSEMENTS

Under state law, providers contracting with ODS to provide services to members agree to look only to ODS for payment of the part of the expense that is covered by the Plan and may not bill the member in the event ODS fails to pay the provider for whatever reason. The provider may bill the member for applicable copayments or coinsurance and deductibles or non-covered expenses except as may be restricted in the provider contract.

11.9 INDEPENDENT CONTRACTOR DISCLAIMER

ODS and participating dentists are independent contractors. ODS and participating dentists do not have a relationship of employer and employee nor of principal and agent. No relationship other than that of independent parties contracting with each other solely for the purpose of a participating dentist's provision of dental care to ODS members may be deemed or construed to exist between ODS and participating dentists. A participating dentist is solely responsible for the dental care provided to any member, and ODS does not control the detail, manner or methods by which a participating dentist provides care.

11.10 No WAIVER

Any waiver of any provision of the Plan, or any performance under the Plan, must be in writing and signed by the waiving party. Any such waiver shall not operate as, or be deemed to be, a waiver of

any prior or future performance or enforcement of that provision or any other provision. If ODS delays or fails to exercise any right, power or remedy provided in the Plan, including a delay or omission in denying a claim , that shall not waive ODS' rights to enforce the provisions of the Plan.

11.11 GROUP IS THE AGENT

OEBB is the members' agent for all purposes under the Plan. OEBB is not the agent of ODS.

11.12 GOVERNING LAW

To the extent the Plan is governed by state law, it shall be governed by and construed in accordance with the laws of the state of Oregon.

11.13 WHERE ANY LEGAL ACTION MUST BE FILED

Any legal action arising out of the Plan must be filed in either state or federal court in the state of Oregon.

11.14 TIME LIMITS FOR FILING A LAWSUIT

Any legal action arising out of, or related to, the Plan and filed against ODS by a member or any third party must be filed in court within three years of the time the claim arose. All internal levels of appeal under the Plan must be exhausted before filing a claim in court..

SECTION 12. CONTINUATION OF DENTAL COVERAGE

The Plan's continuation of coverage rules are outlined in the Oregon Administrative Rules under OAR 111-050-0001 through OAR 111-050-0080. Additional guidance on how to obtain continuation of coverage is outlined in the following sections.

12.1 FAMILY AND MEDICAL LEAVE

If the participating organization grants a leave of absence under state or federal family and medical leave laws, the following rules will apply:

- a. Affected members will remain eligible for coverage during a family and medical leave
- b. A subscriber's rights under family and medical will be governed by applicable state or federal statute and regulations
- c. If members elect not to remain enrolled during a family and medical leave, they will be eligible to re-enroll in the Plan on the date the subscriber returns from family and medical leave. To re-enroll, a complete and signed application must be submitted within 60 days of the return to work. All of the terms and conditions of the Plan will resume at the time of re-enrollment as if there had been no lapse in coverage. Any group eligibility waiting period under the Plan will not have to be re-served

12.2 LEAVE OF ABSENCE

A leave of absence is a period off work granted by the participating organization at a subscriber's request during which he or she is still considered to be employed and is carried on the employment records of the participating organization. A leave can be granted for any reason acceptable to the participating organization.

If granted a leave of absence by the participating organization, a subscriber may continue coverage based on OAR 111-050-0070. Premiums must be paid through OEBC in order to maintain coverage during a leave of absence.

12.3 STRIKE OR LOCKOUT

If employed under a collective bargaining agreement and involved in a work stoppage because of a strike or lockout, a subscriber may continue coverage for up to six months. The subscriber must pay the full premiums, including any part usually paid by the participating organization, directly to the union or trust, and the union or trust must continue to pay ODS the premiums when due.

Continuation of coverage during a strike or lockout will not occur if:

- a. Fewer than 75% of those normally enrolled choose to continue their coverage

- b. A subscriber accepts full-time employment with another employer
- c. A subscriber otherwise loses eligibility under the Plan

12.4 RETIREES

The Plan's continuation rules for retirees are outlined in the Oregon Administrative Rules under OAR 111-050-0010 through 111-050-0050.

12.5 OREGON CONTINUATION COVERAGE FOR SPOUSES & DOMESTIC PARTNERS AGE 55 AND OVER

12.5.1 Introduction

55+ Oregon Continuation only applies to employers with 20 or more employees. ODS will provide 55+ Oregon Continuation coverage to those members who elect it, subject to the following conditions:

- a. Other than the inclusion of domestic partners, ODS will offer no greater rights than ORS 743.600 to 743.602 requires
- b. ODS will not provide 55+ Oregon Continuation coverage for members who do not comply with the requirements outlined below
- c. As the Plan Administrator, OEGB is responsible for providing the required notices within the statutory time periods, including the notice of death and the election notice. If OEGB fails to notify the eligible spouse or domestic partner, premiums shall be waived from the date the notice was required until the date notice is received by the spouse or domestic partner. OEGB shall be responsible for such premiums.

12.5.2 Eligibility

The spouse or domestic partner of the subscriber may elect 55+ Oregon Continuation coverage for himself or herself and any enrolled dependents if the following requirements are met:

- a. Coverage is lost because of the death of the subscriber, dissolution of marriage or domestic partnership with the subscriber, or legal separation from the subscriber
- b. The spouse or domestic partner is 55 years of age or older at the time of such event
- c. The spouse or domestic partner is not eligible for Medicare

12.5.3 Notice and Election Requirements

Notice of Divorce, Dissolution, or Legal Separation. Within 60 days of legal separation or the entry of a judgment of dissolution of marriage or domestic partnership, a legally separated or divorced spouse or domestic partner who is eligible for 55+ Oregon Continuation and seeks such coverage shall give OEGB written notice of the legal separation or dissolution. The notice shall include his or her mailing address.

Notice of Death. Within 30 days of the death of the subscriber whose surviving spouse or domestic partner is eligible for 55+ Oregon Continuation, the Group shall give the designated third-party administrator, if any, written notice of the death and the mailing address of the surviving spouse or domestic partner.

Election Notice. Within 14 days of receipt of the above notice (or within 44 days of the death of the subscriber if there is no third-party administrator), OEGB or its designated third-party administrator shall provide notice to the surviving, legally separated or divorced spouse or domestic partner, that coverage can be continued, along with an election form. If OEGB or its designated third-party administrator fails to provide this election notice within the required 14 days (or 44 days if there is no third-party administrator), premiums shall be waived until the date notice is received.

Election. The surviving, legally separated or divorced spouse or domestic partner, must return the election form within 60 days after the form is mailed. Failure to exercise this election within 60 days of the notification shall terminate the right to continued benefits under this section.

12.5.4 Premiums

The monthly premiums for 55+ Oregon Continuation are limited to 102% of the premiums paid by a current subscriber. The first premiums shall be paid by the surviving, legally separated or divorced spouse or domestic partner to the Group or its designated third-party administrator within 45 days of the date of election. All remaining monthly premiums must be paid within 30 days of the premium due date.

12.5.5 When 55+ Oregon Continuation Coverage Ends

55+ Oregon Continuation will end on the earliest of any of the following events:

- a. Failure to pay premiums when due, including any grace period allowed by the Plan
- b. The date the Plan terminates, unless a different group policy is made available to Group members
- c. The date on which the member becomes insured under any other group dental plan
- d. The date on which the member remarries or registers another domestic partnership and becomes covered under another group dental plan
- e. The date on which the member becomes eligible for Medicare

12.6 COBRA CONTINUATION COVERAGE

12.6.1 Introduction

ODS will provide COBRA continuation coverage to members who have experienced a qualifying event and who elect coverage under COBRA, subject to the following conditions:

- a. Other than the exception on domestic partner coverage, ODS will offer no greater COBRA rights than the COBRA statute requires
- b. ODS will not provide COBRA coverage for members who do not comply with the requirements outlined below
- c. ODS will not provide COBRA coverage if the COBRA Administrator fails to provide the required COBRA notices within the statutory time periods or if the COBRA Administrator otherwise fails to comply with any of the requirements outlined below
- d. ODS will not provide a disability extension if the COBRA Administrator fails to notify ODS within 60 days of its receipt of a disability extension notice from a member

For purposes of section 12.6, COBRA Administrator means either the Group or a third-party administrator delegated by the Group to handle COBRA administration.

12.6.2 Qualifying Events

Subscriber. A subscriber may elect continuation coverage if coverage is lost because of termination of employment (other than termination for gross misconduct, which may include misrepresenting immigration status to obtain employment), or a reduction in hours.

Spouse. The spouse of a subscriber has the right to continuation coverage if coverage is lost for any of the following qualifying events:

- a. The death of the subscriber
- b. The termination of the subscriber's employment (for reasons other than gross misconduct) or reduction in the subscriber's hours of employment with the participating organization
- c. Divorce or legal separation from the subscriber
- d. The subscriber becomes entitled to Medicare

(Also, if a subscriber eliminates coverage for his or her spouse in anticipation of a divorce or legal separation, and a divorce or legal separation later occurs, then the later divorce or legal separation will be considered a qualifying event even though the ex-spouse lost coverage earlier. If the ex-spouse notifies the COBRA Administrator within 60 days of the later date of divorce or legal separation and can establish that the coverage was eliminated earlier in anticipation of the divorce or legal separation, then COBRA coverage may be available for the period after the divorce or legal separation.)

Children. A child of a subscriber has the right to continuation coverage if coverage is lost for any of the following qualifying events:

- a. Death of the subscriber
- b. Termination of the subscriber's employment (for reasons other than gross misconduct) or reduction in the subscriber's hours of employment with the Group
- c. Parents' divorce or legal separation
- d. The subscriber becomes entitled to Medicare
- e. The child ceases to be a "child" under the Plan

Domestic Partners. A domestic partner, who at the time of the qualifying event was covered under the Plan, can elect COBRA continuation coverage. Under the Plan, the domestic partner would have the same rights to COBRA continuation coverage as a spouse does, unless otherwise stated. Where this COBRA section refers to divorce or legal separation, termination of domestic partnership would apply for domestic partners.

12.6.3 Other Coverage

The right to elect continuation coverage shall be available to persons who are covered under another group dental plan at the time of the election.

12.6.4 Notice and Election Requirements

Qualifying Event Notice. The Plan provides that a dependent member's coverage terminates as of the last day of the month in which a divorce or legal separation occurs (spouse's coverage is lost) or a child loses dependent status under the Plan (child loses coverage). Under COBRA, the subscriber or a family member has the responsibility to notify the COBRA Administrator if one of these events occurs by mailing or hand-delivering a written notice to the COBRA Administrator. The notice must include the following: 1) the name of the Group; 2) the name and social security number of the affected members; 3) the event (e.g. divorce); and 4) the date the event occurred. Notice must be given no later than 60 days after the loss of coverage under the Plan. If notice of the event is not given on time, continuation coverage will not be available.

Election Notice. Members will be notified of their right to continuation coverage within 14 days after the COBRA Administrator receives a timely qualifying event notice.

Otherwise, members will be notified by the COBRA Administrator of the right to elect COBRA continuation coverage within 44 days of any of the following events that result in a loss of coverage: the subscriber's termination of employment (other than for gross misconduct), reduction in hours, death of the subscriber, or the subscriber's becoming entitled to Medicare.

Election. A member must elect continuation coverage within 60 days after plan coverage ends, or, if later, 60 days after the COBRA Administrator sends notice of the right to elect continuation coverage to the member. If continuation coverage is not elected, group dental coverage will end.

A subscriber or the spouse may elect continuation coverage for eligible family members. However, each family member has an independent right to elect COBRA coverage. This means that a spouse or child may elect continuation coverage even if the subscriber does not.

12.6.5 COBRA Premiums

Those eligible for continuation coverage do not have to show that they are insurable. However, they are responsible for all premiums for continuation coverage. The first payment for continuation coverage is due within 45 days after a member provides notice of electing coverage (this is the date the election notice is postmarked, if mailed, or the date the election notice is received by the

COBRA Administrator if hand delivered). This payment must include the amount necessary to cover all months that have elapsed between the date regular coverage ended and the payment date. Subsequent payments are due on the first day of the month; however, there will be a grace period of 30 days to pay the premiums. ODS will not send a bill for any payments due. The member is responsible for paying the applicable premiums, in good funds, when due; otherwise continuation coverage will end and may not be reinstated. The premium rate may include a 2% add-on to cover administrative expenses.

12.6.6 Length of Continuation Coverage

If COBRA is elected, the participating organization will provide the same coverage as is available to similarly situated members under the Plan.

18-Month Continuation Period. In the case of a loss of coverage due to end of employment or a reduction of hours of employment, coverage generally may be continued for up to a total of 18 months.

36-Month Continuation Period. In the case of losses of coverage due to a subscriber's death, divorce or legal separation, or a child ceasing to be a dependent under the terms of the Plan, coverage under the Plan may be continued for up to a total of 36 months.

When the qualifying event is the end of employment or reduction of the subscriber's hours of employment, and the subscriber became entitled to Medicare benefits less than 18 months before the qualifying event, COBRA coverage under the Plan for members (other than the subscriber) who lose coverage as a result of the qualifying event can last up to 36 months after the date of Medicare entitlement. This COBRA coverage period is available only if the subscriber becomes entitled to Medicare within 18 months *before* the termination or reduction of hours.

12.6.7 Extending the Length of COBRA Coverage

If COBRA is elected, an extension of the maximum period of coverage may be available if a member is disabled or a second qualifying event occurs. The COBRA Administrator must be notified of a disability or a second qualifying event in order to extend the period of COBRA coverage. If the member fails to provide notice of a disability or second qualifying event, he or she will lose the right to extend the period of COBRA coverage.

Disability. If any of the members is determined by the Social Security Administration to be disabled, the maximum COBRA coverage period that results from a subscriber's termination of employment or reduction of hours may be extended to a total of up to 29 months. The disability must have started at some time before the 61st day after the subscriber's termination of employment or reduction of hours and must last at least until the end of the period of COBRA coverage that would be available without the disability extension (generally 18 months). Each member who has elected COBRA coverage will be entitled to the disability extension if one of them qualifies.

The disability extension is available only if the COBRA Administrator is notified in writing of the Social Security Administration's determination of disability within 60 days after the latest of:

- a. the date of the Social Security Administration's disability determination
- b. the date of the subscriber's termination of employment or reduction of hours
- c. the date on which the member loses (or would lose) coverage under the terms of the Plan as a result of the subscriber's termination or reduction of hours

A member must provide the COBRA Administrator a copy of the Social Security Administration's determination within the 18-month period and not later than 60 days after the Social Security Administration's determination was made. If the notice is not provided to the COBRA Administrator during the 60-day notice period and within 18 months after the subscriber's termination of employment or reduction of hours, then there will be no disability extension of COBRA coverage. The premiums for COBRA coverage may increase after the 18th month of coverage to 150% of the premium.

If determined by the Social Security Administration to no longer be disabled, the member must notify the COBRA Administrator of that fact within 30 days after the Social Security Administration's determination.

Second Qualifying Event. An extension of coverage will be available to spouses and children who are receiving COBRA coverage if a second qualifying event occurs during the 18 months (or, in the case of a disability extension, the 29 months) following the subscriber's termination of employment or reduction of hours. The maximum amount of COBRA coverage available when a second qualifying event occurs is 36 months from the date of the first qualifying event. Such second qualifying events may include the death of a subscriber, divorce or legal separation from the subscriber, or a child ceasing to be eligible for coverage as a dependent under the Plan. These events can be a second qualifying event only if they would have caused the member to lose coverage under the Plan if the first qualifying event had not occurred. (This extension is not available under the Plan when a subscriber becomes entitled to Medicare after his or her termination of employment or reduction of hours.)

This extension due to a second qualifying event is available only if the COBRA Administrator is notified in writing of the second qualifying event within 60 days after the date of the second qualifying event. If this notice is not provided to the COBRA Administrator during the 60-day notice period, then there will be no extension of COBRA coverage due to a second qualifying event.

Note: Longer continuation coverage may be available under Oregon Law for a subscriber's spouse or domestic partner age 55 and older who loses coverage due to the subscriber's death, or due to legal separation or dissolution of marriage or domestic partnership (see section 12.5).

12.6.8 Newborn or Adopted Child

If, during continuation coverage, a child is born to or placed for adoption with the subscriber, the child is considered an eligible member. The subscriber may elect continuation coverage for the child provided the child satisfies the otherwise applicable plan eligibility requirements (for example, age). The participating organization must be notified within 60 days of the birth or placement to obtain continuation coverage. If the participating organization is not notified in a timely fashion, the child will not be eligible for continuation coverage.

12.6.9 Special Enrollment and Open Enrollment

Members under continuation coverage have the same rights as similarly situated members who are not enrolled in COBRA. A member may add newborns, new spouses, or domestic partners, and adopted children (or children placed for adoption) as covered dependents in accordance with the Plan's eligibility and enrollment rules, including HIPAA special enrollment. If non-COBRA members can change plans at open enrollment, COBRA members may also change plans at open enrollment.

12.6.10 When Continuation Coverage Ends

COBRA coverage will automatically terminate before the end of the maximum period if:

- a. any required premiums are not paid in full on time
- b. a member becomes covered under another group dental plan
- c. a member becomes entitled to Medicare benefits (under Part A, Part B, or both) after electing COBRA
- d. the participating organization ceases to provide any group dental plan for its employees; or
- e. during a disability extension period (see section 12.3.7)), the disabled member is determined by the Social Security Administration to be no longer disabled (COBRA coverage for all members, not just the disabled member, will terminate)

COBRA coverage may also be terminated for any reason the Plan would terminate coverage of a member not receiving COBRA coverage (such as fraud).

Questions about COBRA should be directed to the COBRA Administrator. The COBRA Administrator should be informed of any address changes.

12.7 UNIFORMED SERVICES EMPLOYMENT AND REEMPLOYMENT RIGHTS ACT (USERRA)

Coverage will terminate if a subscriber is called to active duty by any of the armed forces of the United States of America. However, if a subscriber requests to continue coverage under USERRA, coverage can be continued for up to 24 months or the period of uniformed service leave, whichever is shortest, if the subscriber pays any required contributions toward the cost of the coverage during the leave. If the leave is 30 days or less, the contribution rate will be the same as for active employees. If the leave is longer than 30 days, the required contribution will not exceed 102% of the cost of coverage.

If a subscriber does not elect continuation coverage under USERRA or if continuation coverage is terminated or exhausted, coverage will be reinstated on the first day he or she returns to active employment with the Group if released under honorable conditions, but only if he or she returns to active employment:

- a. On the first full business day following completion of his or her military service for a leave of 30 days or less

- b. Within 14 days of completing military service for a leave of 31 to 180 days
- c. Within 90 days of completing military service for a leave of more than 180 days

Regardless of the length of the leave, a reasonable amount of travel time or recovery time for an illness or injury determined by the Veteran's Administration (VA) to be service connected will be allowed.

When coverage under the Plan is reinstated, all plan provisions and limitations will apply to the extent that they would have applied if the subscriber had not taken military leave and coverage had been continuous under the Plan. There will be no additional eligibility waiting period. (This waiver of limitations does not provide coverage for any illness or injury caused or aggravated by military service, as determined by the VA. Complete information regarding rights under USERRA is available from the Participating District).
