

Medical home selection form

Plans in our Synergy and Summit networks require you choose a medical home — the main person or place in your network that you go to for care. Your medical home makes it easy to coordinate care when and where you need it.

To find a medical home, visit modahealth.com and log in to myModa. Click "Find Care" to search for a provider by location, gender or language spoken. When you search, be sure to choose your network and select "Medical Home Providers & Doctors" from the "Provider type" menu. Refine your search by entering a location and distance from your home or work. If you need a hand finding a medical home, please contact us. Call us toll-free at 844-776-1593, Monday through Friday, 7:30 a.m. to 5:30 p.m. Pacific Time. TTY users, please call 711.

When you find the medical home provider you like, call to make sure the clinic is accepting new patients. Even if you're already a patient with your chosen provider, you need to follow these steps to select this provider as your Moda medical home. Finally, fill out and submit this form to the address listed. If you have dependents, they can choose a different medical home — just be sure to note their selection below.
