## Advantages

- \* **Freedom to choose your dentist** ODS is unique in that we have contracts with over 1,800 licensed dentists in Oregon. As the Delta Dental Plan of Oregon, employers have the option of choosing a Delta Dental Plan that provides access to over 100,000 dental professionals nationwide.
- \* **Professional Arrangements** ODS has specific fee arrangements with our participating dentists in Oregon to ensure that actual charges made by the dentist do not exceed his or her accepted fees on file with ODS. We believe that the underlying unique feature inherent to all ODS programs is every participating dentist becomes a party to cost control as well as the quality of care. Participating dentists will update your records with your new information and will submit claims to ODS for you.
- \* **Pre-determination** As a service to our customers, your dental office can submit a pre-treatment plan to ODS on your behalf, and we will return it to them indicating the dollar allowance which will be covered by your plan **before** you go forward with treatment.

## Dependent Eligibility

Dependents are lawful spouse and dependent children to age 26, including children an employee is required to enroll due to a court or administrative order.
