Welcome to The ODS Community Health Plan and the Oregon Health Plan

Thank you for choosing The ODS Community Health Plan as your Oregon Health Plan (OHP) dental care plan. The dentists in the ODS program want to give you and your covered dependents the best possible dental care.

It is important that you know how to use your dental care plan. This handbook talks about our program and tells you how to get dental care. It gives you tips on getting the most out of your dental program. It also has a list of dentists who are part of the ODS OHP dental care program. If you have any questions about ODS, choosing a dentist or any other information in this handbook, please contact the ODS Dental Customer Service Department.

PART 1: INFORMATION FOR ALL MEMBERS

HOW TO USE THIS HANDBOOK

There are four parts in this handbook. Parts 1 and 4 are for everyone. Go to Part 2 if you are on the OHP Plus plan. Go to Part 3 if you are on the OHP Standard plan. Your Office of Medical Assistance Program (OMAP) Medical Care Identification form shows the plan that you are on.

OMAP MEDICAL CARE IDENTIFICATION (ID)

OMAP gives you an OMAP Medical Care Identification (ID) form each month. This OMAP ID is a full sheet of paper, printed on both sides. This form gives you your plan ID number and your Department of Health Services (DHS) worker ID and telephone numbers. You must keep this form with you and show it to your dentist at each visit. This form shows the dates you are covered for dental care. Your dentist may not provide care until they see it. If you lose or have not received your OMAP Medical Care ID form, contact your DHS worker.

YOUR ODS DENTAL PLAN ID CARD

Your ODS Dental Plan ID Card is sent with your first member handbook. This card is important. It identifies you as an ODS member. Show this card and your OMAP ID form when you need dental care. If you lose your ODS ID card, contact ODS Dental Customer Service at 503-243-2987 in Portland or 1-800-342-0526 outside of Portland.

INTERPRETER SERVICES

If you are hearing or sight impaired or need help understanding or speaking English, your dentist will arrange interpreter services for you. You may also call ODS Dental Customer Service to get translation and interpretation services at 503-243-2987 in Portland or 1-800-342-0526 outside of Portland.

HOW TO MAKE A DENTAL APPOINTMENT

- Call your Primary Dentist's office during office hours (normally 9 a.m. to 5 p.m.). If you need your dentist's telephone number, check your provider directory or call ODS Dental Customer Service.

- Tell the office you are an OHP Plus or OHP Standard member with ODS. Tell them why you would like to see the dentist.
- Make an appointment for each covered family member.
- If possible, give the dentist's office a telephone number where you can be reached.
- Remember to take your OMAP Medical Care ID form and ODS Dental Plan ID card with you when you go to your dental office visit.
- If you need help getting to your dental appointment, call your local DHS office a week ahead to schedule a ride.
- If you cannot make it to the dental office, give the dental office 24 hours notice and set up another visit.

MISSED APPOINTMENTS

Sometimes you may not be able to keep your dental office visit. If this happens, call your dentist's office as soon as possible to let them know you will not be able to come in. When the office is not notified, the dentist cannot set up an office visit with someone who is waiting for one.

If you keep missing appointments, your dentist may dismiss you. If you are dismissed by two dentists for missed appointments, you can be disenrolled from the ODS Plan.

THINGS THAT MAY CAUSE YOU TO LOSE YOUR ODS COVERAGE

- Losing your Medicaid eligibility through the State of Oregon
- Moving out of the ODS service area
- Refusing care after you have chosen more than two additional dentists
- Refusing to cooperate with your dentist
- Failing to follow OMAP program rules
- Being dismissed by two dentists for missing appointments

DENTAL HEALTH AND EDUCATION

ODS sends you at least one newsletter a year with health information. The newsletter gives tips on good health habits, how to take good care of your teeth and

keeping up with regular check-ups. Your dentist also has helpful information available in his or her office.

CONFIDENTIALITY

Any information in your ODS or dental office record and anything you discuss with your dentist, his or her staff and ODS are confidential. Information in these records will not be released without your prior consent, except as requested by OMAP.

TRANSPORTATION

If you cannot find a ride to or from a dental appointment, call your local DHS office or DHS worker a week ahead of your appointment. Your worker's identification and telephone numbers are on your OMAP Medical Care ID form.

COMPLAINTS AND APPEALS

If you are not satisfied with the care from your dental provider or service from ODS, you may file a **complaint**. A denial is a decision to not pay for, not provide or stop a service. If you receive a denial and you do not agree with the decision, you may file an **appeal**. Follow these steps to file a **complaint** or an **appeal**:

1. To file a complaint, call ODS Dental Customer Service or write:

3. ODS will respond to your complaint within 30 calendar days of receiving it. You may need to give ODS your consent to review the complaint and to request your dental records. All information about your complaint is handled as confidential information.
4. If you are not satisfied with the response to your complaint, you may file a complaint with the State of Oregon by writing to:

If you call in an appeal, you must follow up with a written signed appeal.

2. ODS will get back to you in seven calendar days to let you know we have received your appeal, let you know our decision or explain the delay.
3. ODS will complete the review and respond to your appeal within 45 calendar days.
4. If you believe your dental problem is an emergency and cannot wait for a review, tell your DHS worker and ask ODS for an Expedited or RUSH Appeal. If ODS agrees that your problem is an emergency, ODS will respond to your request within 72 hours.
5. You may need to give ODS your consent to investigate the appeal and to request your dental records. All information about your appeal is handled as confidential information.
6. If you do not agree with the response to your appeal, you may ask for an Oregon State Administrative Hearing. Contact your DHS worker or ODS for the Administrative Hearing Request form AFS 443. Complete the form and send the request to your worker or nearest DHS office.
7. If you file an Administrative Hearing Request and decide at any step in the Administrative Hearing that your problem is resolved to your satisfaction, you may contact the OMAP Hearings Representative to withdraw your Administrative Hearing request.

PART 2: OHP PLUS PLAN

IMPORTANT THINGS TO REMEMBER

- Choose your primary dentist as soon as you can. After your first visit, you will be an **established** patient. As an **established** patient, your dentist will treat you for your routine and emergency dental needs.
- Each covered member of your family may choose a different primary dentist. If you have any questions, call ODS Dental Customer Service.
- You must use your primary dentist for all of your dental care. If you go to another dentist, he or she may not treat you or you may have to pay for the services yourself.
- Your primary dentist will take care of referring you to any specialist you may need. **See your primary dentist first.**

YOUR PRIMARY DENTIST

Choosing a primary dentist

Look at the directory of dentists and denturists in the back of this booklet. Talk to family and friends – they may know some of the dentists in the ODS directory. It is normally a good idea to choose a dentist close to your home. It is important that you do this right away. If you have trouble choosing a dentist, call ODS Dental Customer Service. Remember, you must have a primary dentist to get any dental care. Your primary dentist will provide preventive services and work with you to keep your teeth and gums healthy.

Your First Visit

Do not wait until you have a dental problem to call your dentist. Call your dentist's office and let them know you are an OHP Plus Plan member and that you are covered with ODS. Schedule your first visit right away. It may take six to 10 weeks to be seen. On your first visit, ask about office hours and what number to call after hours if you have an emergency.

After your first visit is completed, you are an **established** patient. Your primary dentist is available 24 hours a day, seven days a week for **emergency** calls **if** you are an **established** patient.

Work with Your Dentist

Your dentist works with you as a partner for your good dental health. He or she will get to know you and your dental history and be able to send you to a specialist, if needed.

When you Need to Change Dentists

If you need to change your primary dentist, look through the directory or call the ODS Dental Customer Service department. They will check on your available benefits and help you locate an ODS dentist.

PREVENTIVE SERVICES

Regular dental check-ups help you stay healthy. Regular check-ups are available for adults and children. Each covered member of your family should have a check-up every six months. For routine advice and appointments, call your primary dentist's office during regular office hours.

Check-ups include:

- Examination
- Prophylaxis (cleaning)
- X-rays
- Fluoride for children under age 18

If you have questions about check-ups and how to schedule them, contact your dentist's office or call ODS Dental Customer Service at 503-243-2987 or 1-800-342-0526.

AFTER HOURS DENTAL CARE

Occasionally, you may need care outside regular business hours. If you need emergency dental care at night or on the weekend, call your primary dentist. He or she will arrange for you to get after hours care.

Talk to your primary dentist about how to reach him or her after hours. Do this when you first meet with your dentist so you will know what action to take during an emergency.

After hours calls to your dentist are for emergency conditions only.

URGENT DENTAL CARE

Urgent dental care is dental care requiring prompt but not immediate treatment.

Examples of urgent conditions are:

- A toothache
- Swollen gums
- A lost filling

It can take up to two weeks to get an appointment for an urgent condition.

When you call or visit the dentist's office, the dentist will evaluate your condition and make an appointment appropriate for your needs.

Do not get dental services at an urgent care center without approval from your primary dentist. Without a referral, you may be responsible for the charges.

EMERGENCY CARE

Emergency care is covered 24 hours a day, seven days a week.

A dental emergency is dental care requiring immediate treatment. Examples of dental emergencies are:

- A tooth that has been knocked out
- Severe swelling, infection, in the mouth
- Severe tooth pain. Pain is considered severe if it keeps you from sleeping, or if it does not stop when you take over-the-counter medicine such as aspirin or Tylenol.

Do not get dental services at a hospital emergency department without approval from your primary dentist. Without a referral you may have to pay the charges.

In a dental emergency, call your dentist anytime, day or night. Someone is available to give you advice 24 hours a day, seven days a week. Speak to the dentist on call even if he or she is not your primary dentist.

OUT-OF-AREA SERVICES

Only emergency dental conditions are covered when you are out of the ODS service area. Examples of dental emergencies are:

- A tooth that has been knocked out
- Severe swelling, infection, in the mouth
- Severe tooth pain. Pain is considered severe if it keeps you from sleeping, or if it does not stop when you take over-the-counter medicine such as aspirin or Tylenol.

PART 3: OHP STANDARD PLAN

The Oregon Health Plan Standard dental package is a **limited** benefits package. Services are covered only when you have a **dental emergency**.

IMPORTANT THINGS TO REMEMBER

- A directory of primary dentists is found in the back of this booklet.
- Each covered member of your family may choose a different primary dentist. If you have any questions, call ODS Dental Customer Service.
- You must use your primary dentist for all of your emergency dental care. If you go to another dentist, he or she may not treat you, or you may have to pay for the services yourself.
- Your primary dentist will take care of referring you to any specialist you might need. **See your primary dentist first.**

DENTAL EMERGENCIES

The OHP Standard Plan defines dental emergencies as:

- A tooth that has been knocked out
- Severe swelling, infection, in the mouth
- Severe tooth pain. Pain is considered severe if it keeps you from sleeping, or if it does not stop when you take over-the-counter drugs such as aspirin or Tylenol.

COVERED SERVICES

The OHP Standard Plan covers the following procedures:

- Emergency office exams
- X-rays. Only X-rays of the affected area or tooth are covered.
- Extractions

MAKING A DENTAL APPOINTMENT

When you need to make an appointment, give the dentist specific information about your dental emergency, such as when the problem started, if you have taken medication for pain or infection and what medications you have taken. If you have any questions about making a dental appointment, call or write:

The ODS Companies

or 1-800-466-6313 (For the

PART 4: THE PROVIDER DIRECTORY

The following pages list the dentists who participate in the ODS OHP dental plan.

The list includes:

- Participating general dentists (primary dentists)
- Participating pediatric dentists
- Participating denturists (for dentures). Does not apply to Standard plan.

The general dentists and pediatric dentists are listed in alphabetical order by County.

If you are hearing or sight impaired or have difficulty understanding or speaking English, your dentist will coordinate interpreter services for you.

ODS makes corrections, additions and deletions to its provider directory monthly. To make sure the provider you select still participates with ODS, call ODS Dental Customer Service at 503-243-2987 in Portland or 1-800-342-0526 outside of Portland.
