Reimbursement Policy Disclaimer

The ODS Reimbursement Policy Manual is intended only for physicians, facilities, and other healthcare professionals, ***except where otherwise indicated.***

By clicking “I Accept” below, you acknowledge your understanding of, and agreement with the following:

Description

The purpose of this information is to document ODS Reimbursement Policy for covered medical and surgical services and supplies. This Reimbursement Policy Manual applies only to ODS Health Plan, Inc. (“ODS”), and DOES NOT APPLY TO ANY OTHER CARRIER OR COMPANY.

Use

The ODS Reimbursement Policy Manual is used by ODS to provide guidelines for consistent and predictable payment of claims, and to provide facilities, physicians, and other healthcare providers with documentation of ODS Reimbursement Policy.

Conflict with Other Documents

Benefit determinations will be based on the applicable member contract language. To the extent there are any conflicts between the ODS Reimbursement Policy and the member contract language, the member contract language will prevail, to the extent of any inconsistency. Fee determinations will be based on the applicable provider contract language and ODS reimbursement policy. To the extent there are any specific conflicts between Reimbursement Policy and the provider contract language, the provider contract language will supercede.

Restrictions and Limitations

- ODS Reimbursement Policy shall be interpreted by ODS and may be modified at the sole discretion of ODS.
- ODS Reimbursement Policy is the property of ODS Health Plan. You may use it as a reference in your claims processing business relationship with ODS. Any other use is strictly prohibited.
- Healthcare providers (facilities, physicians and other professionals) are expected to exercise independent medical judgment in providing care to members. The ODS Reimbursement Policy is not intended to impact care decisions or medical practice.
- Healthcare providers (facilities, physicians and other professionals) are responsible for accurately, completely, and legibly documenting the services performed and are expected to submit accurate claims for those services using valid codes from HIPAA-approved code sets.
