NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, contact Moda Health at <a href="https://www.modahealth.com">www.modahealth.com</a> or by calling 1-888-217-2363. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. | Important Questions  | Answers   | Why This Matters:   |
|--|---|---|
| What is the overall deductible?                                      | For <u>network providers</u> \$5,500 individual / \$11,000 family. <u>Out-of-network providers</u> are not covered.   | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .   |
| Are there services covered before you meet your deductible?          | Yes. In-network <u>preventive care</u> , primary care, <u>specialist</u> , <u>urgent care</u> , virtual care visits, office visits for outpatient mental health and chemical dependency, outpatient diagnostic testing, outpatient <u>rehabilitation services</u> and <u>habilitation services</u> , and children's vision care as well as most in and out of network prescription medications are covered before you meet your <u>deductible</u> . | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .  |
| Are there other <u>deductibles</u> for specific services?            | No.   | You don't have to meet <u>deductibles</u> for specific services.  |
| What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ? | For <u>network providers</u> \$8,150 individual / \$16,300 family. <u>Out-of-network providers</u> are not covered.   | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limits</u> has been met.  |
| What is not included in the out-of-pocket limit?                     | Premiums, balance-billing charges, expenses incurred due to brand substitution and health care this plan doesn't cover.   | Even though you pay these expenses, they don't count toward the <u>out-of-pocket</u> <u>limit</u> .   |
| Will you pay less if you use a <u>network provider</u> ?             | Yes. See <a href="https://www.modahealth.com">www.modahealth.com</a> or call 1-888-217-2363 for a list of <a href="https://network.com">network</a> providers.  | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |

| Important Questions  | Answers | Why This Matters:   |

| Do you need a <u>referral</u> to see a <u>specialist</u> ? | No.     | You can see the specialist you choose without a referral. |
