Moda Select is an Exclusive Provider Organization (EPO) plan with a premier network of local providers.

Moda Select prioritizes both your well-being and your budget.

If your current doctor isn't in-network, our selection process makes it easy to switch to one who is.

In-network means the doctors and facilities meet certain requirements and agree to accept a discounted rate for services under your plan.

Out-of-network means the doctor or facility is not contracted with your health plan and can charge you full price for services.

A network that connects you to care

The **Moda Select** EPO plans cover care when you see providers in the Moda Select Network. We've carefully selected a community of primary care providers (PCPs), specialists and partner health systems, so you'll have better value and better care.

Moda Select Network is for residents living in the following counties:

- Hays • Travis • Williamson

 While traveling outside of the service area, members can receive emergency or urgent care through the First Health Network.

See if your doctor is in network at modahealth.com/modaselect

? Are some services available out-of-network?

Yes! Out-of-network care is covered for medical emergency services, retail pharmacy services, and services at an in-network facility when you cannot choose an in-network provider.

? I'm traveling outside the service area. Can I still get care?

Yes! While traveling outside of the service area, members can receive emergency or urgent care through the First Health Network.

Here are some of our larger in-network partners:

- Capital Area Primary Care • Capital Area Specialty Providers
