² Copay amounts are per 30-day supply. Insulin: \$25 maximum cost share for a 30-day supply.

Limitations

- Authorization by Moda Health is required for all medical and surgical admissions and some outpatient services and medications
- Biofeedback limited to 10 visits per lifetime for tension or migraine headaches or urinary incontinence
- Coordination of benefits – when a member has more than one health plan, combined benefits for all plans is limited to the maximum plan allowance for all covered services
- Hearing aids limited to once every 3 years. Hearing tests limited to once per year.
- Infusion therapy – Some medications require use of preferred medication suppliers to be eligible for coverage
- Medicare – Any expense that is actually paid under Medicare, or would have been paid under Medicare Part B if you had enrolled in Medicare, will have benefits reduced by the amount Medicare paid or would have paid.
- Prescriptions – If using a brand medication when a generic equivalent is available, the member will have to pay the nonpreferred cost sharing plus the difference in cost between the generic and brand medication. Prescriptions are limited to a 30-day supply for standard retail and most specialty pharmacy and 90 days for mail order and participating retail. Some medications require enrollment in programs with an exclusive pharmacy provider.
- Preventive care – Cost sharing may apply to services not required under the Affordable Care Act
- Rehabilitation and habilitation benefits (physical, occupational, and speech therapy and spinal manipulation) limited to 35 sessions per year. Limits apply separately to rehabilitation and habilitation services.
- Skilled nursing facility limited to 25 days per year
- Transplants must be performed at the authorized transplant facilities to be eligible for coverage
- Vision exam and glasses or contacts covered once per year for members under age 19
- Vision exam covered once per year for members aged 19 and older

Exclusions

- Abortion, except in the case of a medical emergency of a pregnant woman
- Acupuncture
- Care outside the United States, other than emergency care
- Charges above the maximum plan allowance
- Cosmetic services and supplies (exception for reconstructive surgery if medically necessary and not specifically excluded)
- Court-ordered services
- Custodial care
- Dental examinations and treatment except for accidental injury
- Experimental or investigational treatment
- Infertility (services or supplies for treatment of, including reversal of sterilization)
- Injury resulting from practicing for or participating in professional athletic events
- Instruction programs, except as provided under the outpatient diabetic instruction benefit
- Massage or massage therapy
- Naturopathic supplies, including herbal, naturopathic or homeopathic medicines, substances or devices and any other nonprescription supplements
- Obesity (all services and supplies except those required under the Affordable Care Act)
- Optional services or supplies, including those for comfort, convenience, environmental control or education, and treatment not medically necessary
- Orthognathic surgery except when medically necessary to repair an accidental injury or for treatment of cancer
- Services or supplies available under any city, county, state or federal law and a member has no obligation to pay, except Medicaid
- Services provided by the patient
- Services provided by a member of the patient's immediate family
- Temporomandibular Joint Syndrome (TMJ), any non-surgical or non-diagnostic services or supplies provided for the treatment of the temporomandibular joint and all adjacent or related muscles and nerves
- Vision surgery to alter the refractive character of the eye
